

St Patrick's School

Ovens St, Wangaratta, Vic 3677 Phone: (03) 5721 5795 Fax: (03) 5721 9604
Email: principal@spwangaratta.catholic.edu.au

St Patrick's Primary School, Wangaratta, would like to acknowledge the Yorta Yorta Nation, whose clans include Bangerang (Pangerang) Kaitheban, Wollithiga, Moira, Ulupna, Kwat Kwat, Yalaba Yalaba and Ngurai-illiam-wurrung, as the Traditional Custodians of the land on which our school is situated.

This school supports the CHILD Safe Standards (Ministerial Order 870) and actively seeks to ensure that all students are kept safe from all forms of harm at all times.

ST. PATRICK'S SCHOOL NEWSLETTER

20th November 2019

Life and Death

The brain was a little “dry” this week, so I opened the newspaper looking for some inspiration. Sometimes it’s hard to find the love in the world reading the newspaper, as I’ve just discovered. Our newspapers are filled with negativity whether it’s the journalists “salivating” over a potential political coup or the various wars and conflicts happening in the world. It’s no wonder they need to put a comics section in just to try to balance the bad stuff (which doesn’t really work unless you just read the “funnies” as I used to call them).

There were a few heart-warming stories such as the parents whose newborn child had come out of a near death experience at birth. What is probably most surprising, until you think about it, is that the greatest amount of love to be found in a newspaper is in the births and deaths columns. Not really surprising about the births I suppose. The wonder of birth is a deeply spiritual experience in itself and there is true beauty in the outpouring of love. Read the obituaries though and you’ll see an equally potent outpouring of love as the articles reflect on and celebrate the lives of people.

Okay, brace yourself for the “God” bit. So, if the essence of God is LOVE, then you can truly feel His presence at these poignant moments in life (not that I think God is a He or a She – but I’ll leave that for another time). I am sure that there are many times in our lives where something beautiful happens but how often do we link that experience to our experience of God. My guess would be rarely. Life can be busy but unless we allow ourselves time to think and reflect, we are depriving ourselves of opportunities to feel God’s presence and improve the quality of our lives.

I really believe that we need to make time to slow down and look around. Find time to share with your children every day as these will be memories that they’ll carry with them forever. Besides, they’ll probably one day be selecting the aged care facility that you move into, so you really do need them on side! And.... Who knows..... through your love for them, it might even help you to discover God at work in your world!

THANK YOU **HAMLA OLIVE GROVE** FOR SUPPORTING OUR SCHOOL

Dear Parents,

The Year 3 to 6 swimming program is in full swing and going very well. Thank you to the staff who have organised and overseen the process. It's always a fun time.

In the next few days, the weather is going to get very hot. When the temperature reaches 35°C, the students will be brought inside as it is too hot to be out. Could I remind parents to ensure that their child has a hat, and could you also encourage them to wear sunscreen. Ensuring that they have a drink bottle for the classroom is also highly recommended (water only please).

School Closure

St Patrick's will also be closed NEXT **Monday, 25th November** for a Planning Day.

Helpers for Family Breakfast – PLEASE HELP

The Parents and Friends are looking for helpers for their FAMILY BREAKFAST being held on 13th December (Friday).

We need about ten to twelve people to cook and serve. Bridget Hourigan, Kyra Huhn and David Maroney have volunteered to cook so far.

If you can help, then please contact Annette or Rosie in the Office (57215795) and put your name on the list. I'll have the coffee machine "cranked" up as well on the day.

School Council Nominations

Our School Council do a wonderful job of supporting the school by advising on the strategic direction of the school, finding ways to engage families in school life and providing advice and assistance. The three key tasks in 2020 involve looking at our current building plan and ensuring that it still meets our needs, strategies around family engagement and looking at our digital technology strategy for the next five years.

We are calling on parents to nominate for positions which will become vacant at the end of this year. Councillor's tenure is a two-year position with an option for a further two years (if they so desire).

We currently have five members who will be finishing up at the end of this year and we are calling for nominations to fill these places. The School Council meets monthly (except in term breaks). There are about eight meetings per year. Please consider joining our Council if you have an interest in this area of school life.

A nomination form is below. If we get more names than places available, then a ballot will be held.

✂

SCHOOL COUNCIL NOMINATION FORM

I _____ wish to nominate for one of the advertised St. Patrick's School Council positions. I understand if there are more nominations than places available, then a ballot will be conducted.

SIGNED _____ *Phone No.* _____

THANK YOU **LIGHTING & DECOR** FOR SUPPORTING OUR SCHOOL

PREP Transition Days

The last of our Prep (FOUNDATION) Transition Day is set down for the following day and time:

10th December - 9.30am to 12.00pm

There will also be a Prep Information session for parents on **TONIGHT** Wednesday, 20th November at 6.00pm in the school hall. This meeting should run no longer than one hour. Its aim is to give parents some information on preparing their child for school, letting them know some of the school's processes and procedures to support them and a chance to meet other parents.

Assembly – Friday

This Friday's assembly will be run by Years 1/2 Capper and Cassidy. Parents and friends are always welcome to our assemblies. It begins at 9.00am in our school hall.

After School Care for 2020

Thank you to the parents who have registered their child for After School Care next year. We have strong numbers across the week. In fact, we are near capacity on Thursday nights. To this end we will investigate what it takes to extend our licence to accommodate extra students. We pride ourselves on over staffing the facility to make sure that the children are very well supervised. That will not change.

Zooper Doopers

Annette is coordinating the sale of Zooper Doopers at the first break each Friday. Cost is 50 cents and any money raised will go to Caritas.

Mayfair Donations Co-Ordinator

Our Parents and Friends Association is looking for a DONATIONS CO-ORDINATOR for the Mayfair. This role does not require you to collect donations, simply co-ordinate the collection so that we do not inadvertently approach the same businesses a number of times.

School Council – Next Meeting

The St Patrick's School Council will meet next Thursday, 21st November in the staffroom, commencing at 5.30pm

Vacation Care

We have had a few inquiries regarding running a Vacation Care service over the Christmas holidays. Unfortunately, we are unable to run the service over the Christmas holidays. In 2020, we plan to run Vacation Care for the full two weeks of terms one, two and three holidays which will support our families by providing a valuable service which has already achieved sustainable numbers.

School Hats

Students are expected to wear a hat at recess and lunch times in Terms One and Four. This is in keeping with our SunSmart policy. Children without a hat are required to restrict their play to under the pavilion to avoid excessive sun exposure. Children with a hat are free to roam at will (so to speak!). The school also provides sunscreen in each class which the students are free to use. Some parents elect to send their child along with their own sunscreen from home and that is perfectly fine as well.

THANK YOU **GLOSS MAKEUP & BEAUTY STUDIO** FOR SUPPORTING OUR SCHOOL

Parent/Teacher Interviews

Parent/Teacher Interviews are set down for Tuesday and Wednesday, 26th and 27th November from 3.45pm to 6.45pm. Below is the link for the online booking for parents to reserve a time.

<https://www.schoolinterviews.com.au/book/step1?z=Hm8iMA>

Event Code is: ngnfw

After School Care 2020

Places are filling up fast for After School Care bookings for 2020, so if you are requiring a spot for your child for next year, please fill out the form below, to avoid disappointment.

Tuesday's and Thursday's are the most popular days, so if you require those days, please let Rosie know asap.

St. Patrick's PS APP REMIND

If you want to keep up with what's happening around the school, you can join REMIND.

It can be downloaded from the app stores to your devices using either of these links:

Apple - <https://goo.gl/IHQHGn> or Android - <https://goo.gl/FJWEv>

You will need to join our "Class" after you install and sign up - @spatwang, or St Patrick's Primary School Wangaratta

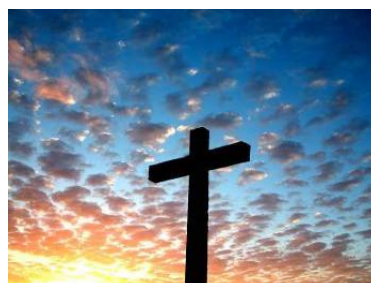

Newsletter

Our newsletter can be accessed on our website and our Facebook page. Annette (in the Office) also has a mailing list that she is happy to include you on. Simply email Annette on:

abeitzel@spwangeratta.catholic.edu.au or phone the office (0357215795) and Annette will put you on the list. If all else fails, you can request a hard copy from the office.

Mass Times

- * Saturday 6.00pm St Patrick's
- * Sunday 8.00am St Patrick's
- * Sunday 9.00am Our Lady's
- * Sunday 10.30am St Patrick's
- * Sunday 10.00am Moyhu
- * Sunday 10.30am Whitfield (1st Sunday)

Terry

THANK YOU **MILAWA MUSTARDS** FOR SUPPORTING OUR SCHOOL

DATES TO REMEMBER

NOVEMBER	20 th	-	6.00pm Prep 2020 Parent Information Evening

	18 th	-	7.00pm Year 6 Graduation Dinner – Parish Hall
	19 th	-	Pupil Free – Staff Planning
	20 th	-	2020 Staff Preparation Day

ATTENDANCE MATTERS

A child missing one day a fortnight will miss four weeks in a year, and more than a year of school by year 10. It is important that children develop regular attendance habits at an early age.

THANK YOU **SPIRITED PARTY SHOP** FOR SUPPORTING OUR SCHOOL

AFTER SCHOOL CARE 2020

As we are approaching the end of the year, we require confirmation as to what days you will be requiring After-School Care for next year, to ensure that your child receives a place. Could those who utilise the After-School Care program, please fill out the form below to show what days your child will be attending next year. Your prompt response would be appreciated. Please return this form no later than Friday 6th December 2019.

If you haven't used After School Care previously and require it for next year, you will need to fill out an enrolment form which can be collected from the office.

NAME Phone No

CHILD'S/CHILDREN'S NAME

☐ MONDAY ☐ TUESDAY ☐ WEDNESDAY

☐ THURSDAY ☐ FRIDAY

LIBRARY BOOKS

Just a reminder that this week is the last week for children to borrow books for this year.

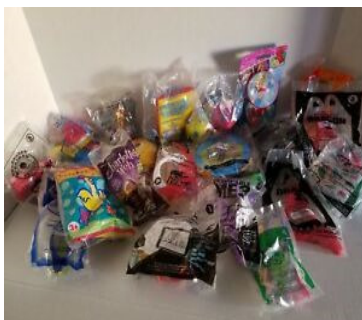

All books must be returned next week.

Also, if you have any readers at home, please return them as well.

Rosie

MAYFAIR SHOWBAGS

WANTED PLEASE –

McDonald's Toys (in the wrappers),
COLES Minis,
SAFEWAY Lion King Ooshies,
Keyrings, Lanyards
Woolworths Tiles (in wrappers) for
Mayfair 2020 showbags.

Please deliver to the office, thank you.

THANK YOU **ANNIE MAYFIELD** FOR SUPPORTING OUR SCHOOL

PAT ON THE BACK

Foundation Mrs Levesque	Congratulations to JOSEPHINE KILBY for helping and caring for her peers as they start the After School Care program. She makes sure they know the routine and helps them find an activity to play.
Foundation Mrs Shaw	Well done to RAFF LYSTER for his excellent mathematic skills. He always challenges himself and is happy to share his strategies with the class. Congratulations Raff, for your enthusiasm in this area of your learning!
Year 1/2 Mrs Bray	A big pat on the back to SONNY GALES for the wonderful way he listens, shares his learning and cares for us all. Keep it up “Superstar”!
Year 1/2 Cassidy/Barry	Congratulations to RILEY NOLET for his dedicated approach to his home reading. 205 nights thus far, amazing effort superstar!
Year 1/2 Ms Rinaldi	Congratulations to ELI PORTA for the fantastic counting skills he demonstrates during mathematics. Well done, Eli!
Year 1/2 Mr Capper	Congratulations to LILY REID for having a very positive attitude and is a joy to teach. She is an attentive student and is working hard to improve results in all subject areas.
Year 3/4 Nicoll/Lynch	Congratulations to FREDERICK HUHN for the focus and positivity that he is demonstrating towards his learning.
Year 3/4 Miss Sirianni	Congratulations to FINLAY MATASSONI for her fantastic efforts during writing tasks in Literacy and Inquiry lessons. She has worked hard to complete activities using interesting words and a variety of punctuation to make her writing more exciting and entertaining. Well done, Finlay!
Year 3/4 Mrs Rizzo	A big pat on the back to ROXY SMITHWICK for being a caring and inclusive friend in class and on the playground. Roxy also approaches her learning with a positive mindset by challenging herself and thinking outside the square. You are a quiet achiever Roxy! Well done!
Year 3/4 Mr Levesque	A big pat on the back to HENRY ACKERLY for the positive way he is working with his group, sharing his ideas, listening to his group and compromising to create their play script.
Year 5/6 Mrs O'Connor	Congratulations to DECLAN BOULTON for settling back into 5/6 O'Connor so smoothly. It's great to have you back, Declan!
Year 5/6 Ackerly/Elliott	Congratulations to KOEN EYKENBOOM for the independent way he created his 3D models in Makers Empire, to be printed for his Bizarre Bazaar stall. Well done, Koen!
Year 5/6 Mrs Rickard	A big pat on the back to HELAINA MARTINO for the excellent effort she has been putting into her Maths. You work hard Helaina, always putting in 100%!

WHAT'S HAPPENING IN THE CLASSROOM

FOUNDATION – Caz & Trish

Religion: We visited St Patrick's and Our Lady's churches and looked at all the things inside the churches that were the same and what was different. We spoke about the parishioners of both the churches and how they might feel that they belong to these churches and what that means. Students will be making their own churches. **If you could send in any shoe boxes or boxes of any description, that would be amazing! Thank you so much.**

Literacy: This week's fairy-tale texts are - Foundation Levesque - 'The Ugly Duckling', Foundation Shaw - 'The Little Red Hen'. The students are looking at the originals of these stories and adaptations. They will be writing their own books about their fairy-tale and using their imaginations to change the story.

Blends (from big book) Levesque - str, ch, wh, sw, Shaw - wh, fl,

Mathematics: Students will revise capacity, length and mass through a variety of activities.

Inquiry: Students will continue the unit, 'Topsy Turvy Tales'. They will be asked to think creatively whilst using their imaginations. The children will be making their own puppet theatres and characters to tell a story. **If you have any odd socks lying around, they will be greatly appreciated to make puppets. Thank you.**

RRRR's: Students will practice ways to seek help and inform a trusted adult if they or others they observe are treated inappropriately by others.

Show and Tell –

This week - Sentence/Story I have written.
Next Week - Something that rolls.

Dates to remember –

Monday, 25th November - NO SCHOOL - PUPIL FREE DAY

Tuesday, 26th and Wednesday, 27th November - Parent Teacher Interviews

Thursday, 28th Year 5/6 Bizarre Bazaar! Students can bring money on this day to purchase some items if you so wish.

We thank you all for your continued cooperation.
Have a wonderful week,
Carolyn and Trish

YEAR ONE/TWO – Janina, Amanda, David & Karen

Welcome to week seven!

This Friday morning, 1/2 Cassidy and Capper will be presenting assembly – family and friends are most welcome to attend.

THANK YOU **L'AMOUR BEAUTE BY HELENE** FOR SUPPORTING OUR SCHOOL

Shortly, we will be sending home swimming permission notes (set to commence in week 10 this term), outlining details of our swimming program. If these could be returned as promptly as possible.

We have had two reported cases of head lice in the 1/2 area... please check your child's hair and treat accordingly (if necessary). Thanks for your support.

Literacy

This week, the students will revise the use of question marks in their writing, also looking at the words used to commence a question, ie: where, what, how etc.

The spelling for this week is 'st' as in 'stop' and 'ing' as in 'washing.'

Students also continue with their regular morning routine of reading; however, our supply of readers is dwindling. We ask you to PLEASE check for any readers you may have at home and return these to school. We have had some readers returned already and wish to thank those families who have taken the time to look for these.

Numeracy

In Mathematics this week, we are continuing the concept of Location and Transformation by incorporating our Inquiry unit and some Digital Technology! Through the use of the Ozobots and Bee-Bots, the students are experiencing the basics of coding by using directional language, commands, sequencing and problem-solving.

Religious Education

To round off our unit in 'Mission' the students will be locating photos and pictures in magazines that reflect people demonstrating good deeds for others, just as Jesus would have done. Students will then reflect on the question, 'How are the people in the pictures demonstrating love for each other?' Next week, we will commence our Advent unit, in the lead up to Christmas.

Dates to Remember:

22nd November: 1/2 Capper & Cassidy assembly

25th November: School Closure Day

26th & 27th November: Parent/Teacher Interviews

4th December: End of year concert 5.30pm

6th December: 1/2 Rinaldi & Bray assembly

YEAR THREE/FOUR – James, Karen, Paul, Nara & Ellie

This week has taken off with a splash as we enjoy swimming at the Barr Reserve. As the weather heats up again it has been great to work on our swimming technique and remind ourselves of how to be safe around water.

Some dates to remember:

18th – 22nd November: Years 3-6 Swimming

25th November: No school – Planning day

26th – 27th November: Parent/Teacher Interviews

2nd December - 3/4 Advent Liturgy

4th December – End of Year Concert 5:30pm under the Pavilion (netball court)

Religious Education:

This is our final week of our unit, *Jesus Models Forgiveness*. We have further unpacked the four steps of reconciliation (admit responsibility, say sorry, receive forgiveness, make amends) by discovering how many popular stories and tales also demonstrate these four important steps.

THANK YOU **PARK LANE NURSERY** FOR SUPPORTING OUR SCHOOL

Students used Margaret Wild's picture book 'Miss Lily's Fabulous Pink Feather Boa' to create storyboards which order events in the story that demonstrate each step of reconciliation.

Inquiry & Literacy:

This week students have continued to refine their storyboards and transform them into dramatic play scripts for their 'frame by frame' inquiry projects. In preparation for filming, we have been exploring the use of stage directions, character actions and their dialogue as instructions for their play. Students have also worked with their inquiry groups to plan, create, build or source materials for their scenery, characters and props. If students would like to bring in items from home, we have asked them to check with parents before bringing in (named) items. Over the next few weeks we will continue to refine our scripts and collect materials, ready for capturing images to use in the creation of our stop motion films using the 'iMotion animation' application.

Spelling focus: Plurals: change words ending in '_f/fe' to '_ves' e.g. knife - knives

Plurals: change in the basic spelling to form plurals e.g. mouse – mice

Numeracy:

This week in Numeracy we have looked at representing fractions on number lines. Students are discovering how number lines can help us to decide whether a fraction is bigger, smaller or equivalent to another. We have been investigating 'Equivalent Fractions', which can be defined as fractions with different numerators and denominators that represent the same value or proportion of the whole. For example, $\frac{2}{4}$ and $\frac{4}{8}$ are equivalent fractions as they are the same proportion of a whole - $\frac{1}{2}$. To allow students to prove their identified equivalent fractions, we have been cutting paper shapes of the same size into different fractions, to see how different fraction amounts can fit together into the same shape.

Uniform:

Please ensure that students come to school in the correct school uniform, including appropriate footwear and correct coloured socks (not black). We do understand that there will be times when children have outgrown footwear and that this is an expensive uniform item. If your child is required to be 'out of uniform' for some reason, please advise Mr Corrigan and your child's teacher. This can be done with a note or a phone call. Thank you for your understanding.

Absences/Late Arrivals:

Please be advised that if a student is absent due to illness, an appointment etc. or if he/she will be arriving to school late, the school office or the classroom teacher must be notified either by phone, email or a note. A verbal notification of absence by the student or a sibling cannot be accepted for legal reasons.

YEAR FIVE/SIX – Andrea, Helen & Sharyn

Events Coming up:

Monday 18th November - Friday 22nd November - Swimming Program at WISAC

Yr 6 Robotics Expo (Parents/Students) - Thursday 21st November at 3.00pm

Monday 25th November - Pupil Free Day. Planning Day for 2020 for Teachers.

Wednesday 4th December - End of Year Concert.

Year 5 - 2020 Yr 6 T-shirts - Students will be choosing their t-shirt colours and orders will be sent home this week.

Year 6 Graduation Information - Notes have been sent home regarding the Graduation Dinner to be held on Wednesday 16th December 2019. Please return by end of this week.

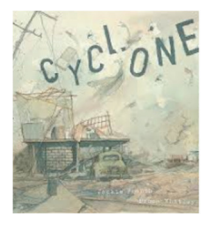

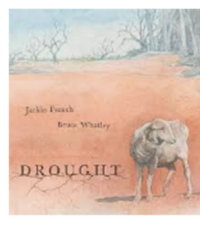

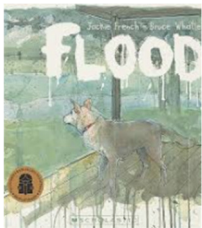

THANK YOU **DR MAUVE BAR & LOUNGE** FOR SUPPORTING OUR SCHOOL

Curriculum News:

Numeracy Focus - This week we are continuing to build upon the knowledge gained about calculating volume last week by using nets of shapes to create 3D objects. Students will also be investigating capacity and angles over the next fortnight.

Robotics - The Year 6 students had a great experience at GoTafe Innovation Hub building and coding their robots. Our Expo will be Thursday the 21st November at 3.00pm.

Reading Focus - Students will continue to investigate the Jackie French natural disaster series to make comparisons and analyse French's style. Over the next four weeks, students will explore the picture story books and critically analyse vocabulary choice, intended tone and how French has used research knowledge of historical content to create the fictional texts. They will also explore the symbolism of Bruce Whatley's illustrative techniques during class and Art time.

Writing Focus - Students will use techniques learnt during reading sessions and experiment within their own historical narrative writing.

Inquiry - The students are working busily on their Bizarre Bazaar unit, as they gain a real-life understanding of the design and production process when creating a brand for a new product. They will produce and sell their products at the **Bizarre Bazaar Market on the 28th of November at 2:30pm**. Parents and friends are welcome to come in and support the market! We will be aiming to use as much recycled materials as we can. All proceeds go to Unicef Australia. The students are looking for the following, if families have these could they drop them into the 5/6 area:

1. **Fishnet Stockings**
2. **Small cylinder-shaped Containers (like camera cartridges)**
3. **Small plastic rectangle containers**
4. **Elastic**
5. **Fabric of any type**

RE - As we approach the Advent season, the students will be examining the following enduring questions related to the Feasts of the Christmas Season:

How do we know Jesus?

Where do I find Jesus in my life?

The Year 5/6s will be celebrating the first week of Advent with a liturgy in the hall on Monday the 2nd December.

RRRR'S - This term we will be exploring positive gender relations.

Communication:

To contact your classroom teachers, we encourage you to use the school emails or call the school directly (57215795). As always you are also welcome to visit the classroom.

aoconnor@spwangeratta.catholic.edu.au

sackerly@spwangeratta.catholic.edu.au

herrickard@spwangeratta.catholic.edu.au

THANK YOU **WANGARATTA JEWELLERS** FOR SUPPORTING OUR SCHOOL

Bizarre Bazaar Tie Dye

For our Bizarre Bazaar we are making scrunchies and tie dye t-shirts as well as tie dye socks.

If you wish to purchase tie dye products you must bring in any plain white t-shirts or socks into Mrs O'Connor's classroom. We ask you to bring in your reused clothes before the due date of the Bizarre Bazaar (28th November). We also ask that you wash your clothes before handing them in. We will tie dye your clothes and hand them to you on the day of the Bizarre Bazaar. Thank you.

WANTED SPORTS EQUIPMENT

For Bizarre Bazaar, Zara and Sophia are collecting any sporting equipment you are not using anymore including Basketballs, Netballs, Soccer balls, Footballs, Sneakers, Athletic shoes. We are recycling and redesigning them to sell at our stall. If you would like to donate some sporting equipment, please send them to Mrs Ackerly's classroom.

WANTED JARS

Spare jars for our Bizarre Bazaar stall. Please leave in the office if you have any.
Thank you

**Thursday 28th
November**

BIZARRE BAZAAR

PRODUCTS AT OUR BIZARRE BAZAAR MARKET ARE ..

Lures ,Cork floats ,Yabby cans, lip balm, lip scrubs,Scrunchies, Soap, bath bombs , body scrubs, Paint, slime, stress balls, Keyrings, book marks, 3D Action Figures Erasers, Crayons, Mugs, Second hand sporting equipment, Kinetic sand, fiddle pegs, Face masks ,Magnets ,Tie dye shirts and Oobleck.

Parents, could you please give your child some money to purchase our products. Products will range from \$1 to \$10

Profits made will be donated to a chosen charity.

Robotics & Coding Holiday Program

WHEN: 21st and 22nd Jan 2020

9.30am – 2.30pm each day

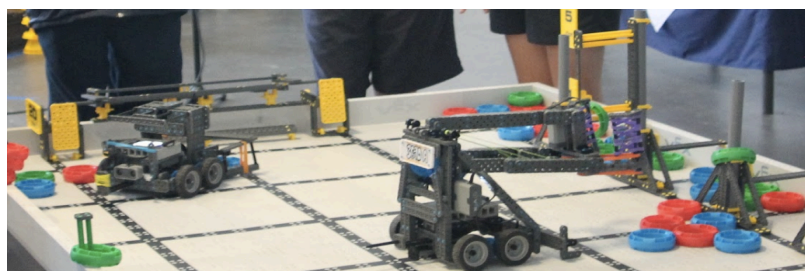

Where: Wangaratta Regional Study Centre.
218 Tone Rd

Cost: \$60 (All profits go to the program)

Robotics & Coding 2 day Holiday Program

Learning & exploring VEX IQ robotics, & coding for **Grade 5 & 6 students**

Design, build, code & drive robots.
Learn about creating apps & games and explore technology in an informal, creative & social environment.

**Learn & Play
STEM inspiration**

Enjoy Teamwork & collaboration while learning digital skills for the future

Brought to you by DTAC:

St. Patrick's Primary School

FOUNDATION **ORIENTATION**

These are the dates for our Foundation 2020 Orientation Program:

Thursday 7th November 2019 - 9.15am to 10.40am
Morning Tea for parents 9.30am in Staffroom

Wednesday 20th November 2019 - 9.15am to 10.40am

TRANSITION DAY

Tuesday 10th December 2019 - 9.30am to 12.00pm
(Bring a piece of fruit, drink, hat and snack for playtime)

Children are encouraged to attend all sessions so that they are familiar with their school environment prior to the commencement of school.

There will be a **Foundation Information Evening** for parents on Wednesday, 20th November 2019 in the school hall at 6.00pm. The aim of this meeting is to prepare your child for school life at St Patrick's. The duration of this meeting will be about one hour.
