The limits of Parenthood

I found this little poem in my collection a few weeks ago. In a world that is changing so rapidly these days, it's timely to remember that we, as parents can only do what we can. The most important thing for me is to be "there" for your children (no matter what!).

I gave you life, but I cannot live it for you
I can teach you things, but I cannot make you learn
I can give you direction, but I cannot be there to lead you
I can allow you freedom, but I cannot account for it for you
I can take you to Church, but I cannot make you believe
I can teach you right from wrong, but I cannot decide for you
I can buy you beautiful clothes, but cannot make you beautiful inside
I can offer you advice, but cannot accept it for you
I can give you love, but cannot force it upon you
I can teach you to share, but cannot make you unselfish
I can teach you respect, but cannot force you to show honor
I can tell you about lofty goals, but cannot achieve them for you
I can teach you about kindness, but cannot force you to be gracious
I can warn you about sin, but cannot make you moral
I can tell you about God's love for you, but cannot make you accept it
As parents we can offer you hope and love
and together, with faith in a loving, forgiving God, have all that counts

THANK YOU **CAFÉ PREVUE** FOR SUPPORTING OUR SCHOOL

Dear Parents,

Today the Year 5/6 students took part in the AFL 9's clinic at Galen. It was nice to see the sun shining on this event as I am "so over" cold and wet weather.

Closure Day – TOMORROW – Wednesday

Just a reminder that St Patrick's will be closed **TOMORROW** Wednesday, 31st July, to allow all staff to renew their Level Two First Aid qualification.

Staff Meetings – change of time

We have changed our staff meeting night to Tuesday night from 3:45pm to 5:00pm. I would be grateful if parents could avoid catching teachers after school on this night unless it is urgent/important. This will allow our meetings to begin on time. Thank you for your understanding.

Dan Petro – "Making parenting a little easier"

Dan Petro will be in Wangaratta this Saturday, 3rd August to run a parenting seminar at the Gateway Hotel. Dan is a Behavioural Analyst who has worked across many schools around Australia including Sandhurst Schools. Please refer to the attached flyer.

The \$20.00 cost per person will be met by St Pat's school as we think that there is great benefit for parents to have access to the information that Dan can impart.

Please contact Annette or Rosie at school (57 21 5795) to register your attendance. There is no need to pay as the school will be invoiced directly.

Please consider attending (morning tea and lunch will be provided).

Parents & Friends Meeting

Our next Parents and Friends meeting will take place **NEXT** Monday, 5th August commencing at 6.00pm in the staff room. Everyone is welcome to join us.

Vacation Care – Booking form

The booking form for our Vacation Care program is attached to today's newsletter. The Vacation Care program will run in the first week of the term three holidays. As the Friday of that week is a Grand Final day holiday, it will run for the four days (from Monday to Thursday). Cost will remain the same at \$42.00 per day (or part thereof).

Parent Evening

The school board have been exploring ways to support our families. During a survey of parents back in May, a few themes were identified. One of those themes was regarding children with anxiety. To this end, the Board has asked Dr Tegan Podubinski to present on this topic to interested parents.

Tegan will give a talk on Wednesday 28th August from 5:30pm to 6:30pm for interested parents. It will be well worth listening to Tegan as it is hoped that she will provide advice on what to look for and strategies for supporting children. An hour well spent I'd say!

THANK YOU **INDULGE COFFEE SHOP** FOR SUPPORTING OUR SCHOOL

Father's Day – Something Different

At last week's staff meeting, one of the many things that was discussed was how to celebrate Father's Day this year. It has been decided that, instead of an Assembly, we will hold a father/son/daughter breakfast commencing at 8:00 am. Hopefully, we'll get Dads along for a bacon and egg roll and a bit of quality time at school with their child/ren. They may like to visit classrooms and let their child show them their workspace and what they've been up to. We're hoping to get as many dads as possible. A notice will be sent out in coming weeks as we will need to get approximate numbers for catering purposes.

Assembly – Friday

This Friday's assembly will be run by the me (Terry). Parents and friends are always welcome to our assemblies. 9.00am this Friday.

Parking

Can I remind parents that before and after school is a pick up/drop off zone only in Ovens Street. This means that you cannot leave your car. The council periodically patrol this section and apply fines for transgressors.

Book Fair

We will be running a Book Fair from the 5th to 8th August. There is more on this further along in this newsletter.

Principal Appraisal

My current contract with St Patrick's School, requires that I undergo an appraisal process in the second last year of my contract. This is largely achieved using professional people who are independent of the Diocese Sandhurst. To this end, students, staff and a random sample of parents will be asked to fill out a survey (online) that looks at all the elements of my performance here at St Patrick's. I would like to thank those asked to participate in advance for their assistance in providing feedback. The survey will run from the 5th to 16th August. Parents asked to participate will be contacted before then.

Web Calendar

If parents access the school's website (www3.spwangeratta.catholic.edu.au) you will have access to a calendar of events as they come up. A calendar of events is also published in our newsletter.

I will have as many available dates as possible on this site within the next week or so. Please check it periodically as I also add dates as they become known.

St. Patrick's PS APP REMIND

If you want to keep up with what's happening around the school, you can join REMIND.

It can be downloaded from the app stores to your devices using either of these links:

Apple - <https://goo.gl/IHQHGn> or Android - <https://goo.gl/FJWEv>

You will need to join our "Class" after you install and sign up - @spatwang, or St Patrick's Primary School Wangaratta

Resilience, Rights and Respectful Relationships

Gender and Identity

Gender norms are those social norms that are differentiated for girls and boys, and men and women. While some gender norms can be positive, (such as showing loyalty to family) others can be restrictive and harmful in that they limit people's life choices, lead to inequitable treatment or discrimination, and foster acceptance of gender-based violence.

Beliefs about gender norms and roles are socially constructed. That is, the types of behaviours considered acceptable, appropriate or desirable for a person based on their gender are created by societies. Gender norms include attitudes about what it means to act, speak, dress and express oneself as masculine or feminine. Different gender identities are created through various elements coming together at any point in time, drawing on social expectations which can change depending on where in life's stage an individual is located. Children need to learn about the ways in which gender norms are created and transmitted. They benefit from critical thinking exercises within which they detect and challenge the limiting nature of many traditional gender-norms.

CHATTER MATTERS

Pragmatics and Social skills

Focus: Conflict resolution

Conflict can arise for any number of reasons. As adults we can model and guide our children to solve conflicts in the most effective way possible. Don't forget not all conflicts can be resolved and we simply need to just agree to disagree. However, it is important to agree/disagree in a respectful manner. Here are some comments you might like to promote around your house when not everybody is on the same page.

Agree: "I think that's a great idea, let's go with it!"

Disagree: "I can see what you're saying, but I think this because..."

"That's a good idea but how about?"

"I can sort of see your point of view, but we're going to have to agree to disagree"

Have these phrases written and placed around the house for reminders

Here's some conflict resolution topics you might like to discuss as a family (remember no put-downs);

- dogs are better than cats
- children should make their beds everyday
- children should go to bed by 8 o'clock
- children should only have 1 hour of tv each night
- Collingwood is the best football team.
-

Don't forget to praise your child/children when you hear them agree/disagree in a respectful manner.

BOOK FAIR

MONDAY 5th AUGUST TO
THURSDAY 8th AUGUST

BOOK FAIR TO BE HELD IN FISHBOWL/LIBRARY

Our Book Fair is next week, and we will be viewing the books on Monday and Tuesday, where children will make a wish list to send home, then the children will have the opportunity to purchase books on Wednesday and Thursday. ***There is a roster at the end of this newsletter to see when your child's class is purchasing.*** Parents may wish to come in with their child's classroom or at any time between 9.00am and 3.30pm on Wednesday or Thursday.

Families are not under any obligation to purchase books if they do not wish to.

If children change their minds and want to purchase a different item that exceeds the amount of money they have, they will not be able to purchase that item. We cannot put away books for them until they have the money. If the book they wish to purchase is already sold out, I will be able to reorder most items.

Parents are most welcome to come along also to have a look prior to the Book Fair on Wednesday and Thursday.

Thanks
Rosemary Pane

LUNCH ORDERS

The Bakers Wife Sandwich Shop In conjunction with Appin Street Bakery would like to offer school lunches to your children. We have a limited number of items initially until we find our feet but basically all items will be made on premises fresh on the day that your child receives their lunch. At this stage it will be lunch only on **Fridays**. What we do offer is fresh food that will be delivered on time to St Patricks for your kids to enjoy. Lunch orders need to be in the office by 9.00am on Friday mornings.

Thanks, Belinda

NOTES.....

PAT ON THE BACK

Foundation Mrs Levesque	Congratulations to FLYNN MCCOY for his confident role as the MC at the Foundation assembly last week. He did an amazing job leading the assembly!
Foundation Mrs Shaw	Congratulations to ANNABEL GREEN for her excellent writing efforts this week. She has been working really hard to write with more detail and the results have been AMAZING. Keep up the wonderful effort Annabel, great work!
Year 1/2 Mrs Bray	A big pat on the back to MIA THOMPSON for the wonderful way she is challenging herself with her learning. We love hearing all her wonderful poetry.
Year 1/2 Cassidy	Congratulations to MICHAEL CARLYON for developing his confidence in writing words independently. Keep up the great work, Michael!
Year 1/2 Ms Rinaldi	A big pat on the back to MILA SMITH for always working consistently and applying herself in every area of school life – you set a great example to others with your positive attitude, Mila!
Year 1/2 Mr Capper	Congratulations to SCARLETT DALTON for being a beautiful student who strives to produce her best at all times. She is a motivated and independent student with a great love of learning. We are so lucky to have Scarlett in 1/2DC. Well done!
Year 3/4 Nicoll/Lynch	Congratulations to NICHOLAS DICKSON for the focus he is demonstrating in all aspects of his learning. As a result, Nicholas has shown that he is able to provide interesting perspectives when engaging in conversation.
Year 3/4 Mrs Newton	A big pat on the back to FRASER MENNIE for his dedication to his reading in and outside the classroom. I can see the effort you are putting in and the improvement you are making. Keep up the great reading Fraser!
Year 3/4 Mrs Rizzo	A big pat on the back to REMY LLOYD for the positive and respectful way she interacts and works with her peers. She is growing in confidence and challenging herself when tasks require her to step outside her comfort zone. Loving it Remy, keep it up!
Year 3/4 Mr Levesque	A big pat on the back GEORGINA BLAKE for the way she uses her manners in the classroom and also for the positive contributions she makes in class discussions. Well done, Georgina, you are a true asset to the class!
Year 5/6 Mrs O'Connor	Congratulations to KATIE CLIFFORD for the growth mindset she showed during the AFL 9s clinic at Galen.
Year 5/6 Ackerly/Higgs	Congratulations to AMELIA SHARP for the fabulous effort and enthusiasm she displayed during the Australian School Performing Arts (ASPA) workshop sessions. Keep it up!
Year 5/6 Mrs Di Stasio	Congratulations to OLIVIA FAHEY-PYLE for her persistence in perfecting her writing piece on “Life of a water bottle”. Well done!
Special Award Mrs Patterson	Congratulations to ALEXIS BUTERA for the fantastic start she has made in our ANT groups. Alexis brings a very dedicated approach to her learning and she is a pleasure to work with.

WHAT'S HAPPENING IN THE CLASSROOM

FOUNDATION – Caz & Trish

CONGRATULATIONS to our marvellous students and parents for arriving at school on time, with a healthy snack and lunch, in the correct uniform for 100 days! THANK YOU

What a lovely day we had with our teddies at school on Tuesday to celebrate 100 days of school.

Religion: This week the students will create their own prayer book. They will discuss and create four different prayers we can use - Asking, Forgiving, Praise and Thank you prayers.

Literacy: This week's non-fiction books.
Foundation Levesque - 'Baby Elephants'
Foundation Shaw - 'Dinosaurs'

The students will work through a variety of activities related to the big book in their class. They will continue to write lists, gather facts and create fact book/posters relating to the big book. The students will continue to practise the one hundred most frequently used words, rhyme, syllables and find blends in words. This week the children will focus on the short vowel 'i', e.g. it and in.

Mathematics: The students will be investigating the maths process of addition. They will be using a range of practical strategies for adding small groups of numbers, such as visual displays and concrete materials.

Inquiry: The children will continue with the unit, 'Fairness and Friendship' the students will continue to work on how to be a helpful classmate and how to show fairness in our everyday lives. The students are investigating words and meanings in this area. E.g. Fair, Fun, Honest, Safe etc. What do these words look like, sound like and act like.

RRRR's: The students will be exploring the terms of same and different. They will see several images of different dog breeds. They will wonder about how these dogs can be different. They will be encouraged to tell or express in a 'wondering', that boys and girls can be the same and different. *eg I wonder if boys and girls can be the same and different? What do you think?*

Show and Tell -

This week - Something that begins or ends with the sound 'sh'.

Next week - Something that begins or ends with the sound 'ch'.

Dates to remember-

6th August - 8th August **BOOK FAIR**

15th August - Liturgy 9.05am

22nd August - Dress up Book Parade

Have a great week,

Carolyn and Trish

YEAR ONE/TWO – Janina, Amanda, David & Karen

On Monday, the Year 1 and 2 students said 'Goodbye and good luck' to Will McKenzie who will continue his schooling in Yarrawonga.

THANK YOU **SELWOOD ACKERLY ACCOUNTING** FOR SUPPORTING OUR SCHOOL

Our learning focus for the week -

Literacy - our spelling topics are 'w as in wet' and 'cl as in clap'. We are impressed with the students continuing to find and name the reasons for the use of apostrophes in our readers and class stories - seeing how they are used to show possession eg. Joe's dog and to shorten words eg. do not becomes don't. We will continue to read different forms of poetry and give the students opportunities to create their own poems. This term, many of our class stories focus on the differences and uniqueness of us all. It has been great to see the students listening attentively to these stories and discussing the message presented.

Mathematics - through various games and practical situations, the students will learn about 'fractions of a whole'. Through discussions about where they see or hear about fractions eg. cutting pizza and cake, the students will be encouraged to count the number of 'equal parts' and name the fraction shown.

Inquiry - we continue with our unit 'Celebrate Differences' in our world. We looked at a map of the world and named the countries that we can see and discussed people that we know, who have come from other countries. The students were then asked to think about what people from other countries would need to know about Australia and used this to create their own 'Guide to Australia' with interesting words, foods and other facts.

Religion - Our unit 'We can pray in different ways' continues with the students looking at who we can pray for. Using Pope Francis's 5 finger prayer, we will create oral and written prayers for the important people in our lives. You might like to also ask your child about the significance of the pretzel - an activity that will occur later in the week.

Sport days - Year 1/2 Cassidy and Bray - Wednesday/Friday
Year 1/2 Rinaldi and Capper - Monday/Friday

Dates to remember -

Next week -	Week 4	Book Fair - opportunity for students to purchase books Thursday 8 th August - Mary MacKillop liturgy Friday 9 th August – Assembly - Year 1/2 Cassidy/Bray Friday 9 th August – Mass - Year 1/2 Capper
	Week 5	Wednesday 14 th August - Science Expo - afternoon Friday 16 th August – Mass - Year 1/2 Bray
	Week 6	Thursday 22 nd August - Dress up Book Parade Friday 23 rd August - Bluearth morning Friday 23 rd August – Mass - Year 1/2 Cassidy

19-20th September - 3/4 Camp (Nillahcootie)

THANK YOU **QUALITY HOTEL WANGARATTA GATEWAY** FOR SUPPORTING OUR SCHOOL

Welcome to a very short week - hoping that our children enjoy the mid-week break.

OZGrav Space Exhibit ~ Reflection by Mia Crimmins and Eva Parkinson

Last Wednesday 24th July 2019 the 3/4 students attended an exhibition all about Space which was presented by Ozgrav, at the Wangaratta Digital Hub. We got to experience a variety of activities.

The highlight of the exhibition was the Virtual Reality (VR) tour of the solar system. We had to get into pairs, and we shared a pair of special VR goggles controlled by a computer app. Lisa, a lady who works for Ozgrav explained the different parts of the VR tour as we experienced it. We looked at all the planets and blackholes. In one of the tours of the blackholes the blackholes actually orbited around each other and when they smashed together the result was one big blackhole.

We also really enjoyed working at the exhibits presented by the Galen Vex Robotics students. There were two activities to do. The first one was called 'Sphero Maze'. This was based on a sphero education app. In this activity we got to have a turn at controlling the spheros using an iPad app. We had to move the sphero through a maze by swiping a remote control on the iPad. The other robotics activity was called 'Zombie Robots'. This was based on three human robots and three alien robots. The alien robots had to hit the human robots a number of times and the human robots had to hit the alien robots a number of times as well. If the robot's lights turned red it meant that it had been turned into a zombie.

This was an amazing experience to be involved in because we learnt a lot about Space and the Solar System as well as different technologies.

School Camp: Please return permission notes and medical forms as soon as possible as this allows adequate time for staff to plan the camp. Any parents wishing to go into the ballot as 'camp helpers' are also asked to return the 'expression of interest' as soon as possible so that we can complete this part of the process. This will then allow the selected parents to make plans with their respective employers.

Literacy and Inquiry: This week during Reading sessions the students will continue to develop their understanding of the structure of a biography by exploring a variety of texts. In conjunction with the Inquiry unit, 'Someone Else's Shoes', during Writing sessions this week students will be focusing on researching and taking notes on a well-known person with a disability. This will lead on to students constructing their own biographies.

Spelling: _ck as in attack and _th as in length

Religious Education: This week our students are continuing to focus on the unit, 'Followers of Jesus'. They will be reflecting on what it means to be a follower of Jesus and they will also begin to explore the parables, miracles and stories that identify the many choices Jesus made, and recognise that they have been gifted with the Spirit to enable them to make wise choices for the good of themselves and others.

Numeracy: Students are continuing to work through the unit related to 'Location and Transformation'. This week they will be applying their understanding of grid referencing to a Bee Bot investigation. They will be required to code the Bee Bots to perform a given set of movements.

Uniform: Please ensure that students come to school in correct school uniform, including appropriate footwear. We do understand that there will be times when children have outgrown footwear and that this is an expensive uniform item. If your child is required to be 'out of uniform' for some reason, please advise Mr Corrigan and your child's teacher.

YEAR FIVE/SIX – Andrea, Helen & Sharyn

The 5/6 area have a busy week with AFL 9s, ASPA practice, the closure day Wednesday) and 5/6 A/H are heading to mass on Friday.

Coming up:

July 30th: AFL 9s clinic, Galen College. **August 20th:** AFL 9s Carnival, Galen College.

July 15th, 29th, August 12th & 26th: Australian School Performing Arts (ASPA) Workshops at school.

APSMO Maths Games contest 3

July 31st: School closure Day - first aid training for teachers.

Curriculum News:

Numeracy Focus

This week students are preparing for the APSMO Maths Games contest next week. Students are working through problems in small teams. The focus strategies for the contest are Work Backwards and Make a List. Students continue to apply their understanding of the BAR Model to solving multi-step problems that involve fractions and all four processes.

Reading Focus - Students continue to develop reading skills through Literacy Circles and are reading and sharing parables from the Bible through Readers Theatre.

Writing - Students are publishing their written pieces about for possible entry into the Wangaratta Sustainability Network 'Life of a Water Bottle' competition. The students will also be recording a podcast in response to the Adam Goodes Documentary "The Final Quarter".

Inquiry - We begin to discuss and investigate organisations that 'Care for the Kids' both in Australia and overseas. Students will select an organisation working to support children to investigate further.

RE - We continue to look at the role Jesus played in Luke's Gospel through the parables and examining people, context and messages from Luke's Gospel and considering how these messages are relevant today. Students will 'recontextualise' (make the Bible relevant to their lives) a parable through readers theatre and share with the class.

Mass - 5/6 Ackerly/Higgs will be attending mass at St Patrick's Church on Friday with Foundation Levesque students.

Radio - Lucy N and Emily Y from 5/6 Rickard, will be presenting the St Patrick's Radio Hour on Thursday from 2:00pm on Oak FM.

RRRR'S - This term we exploring issues relating to gender and identity.

Communication:

To contact your classroom teachers, we encourage you to use the school emails or call the school directly (57215795). As always you are also welcome to visit the classroom.

SATURDAY 3 AUGUST (Wangaratta)

Gateway Hotel (29-37 Ryley St, Wangaratta)

9:30am - 3:00pm

Parenting is a demanding task under any circumstances and doing so when a child displays challenging behaviours increases the difficulty. These problem behaviour situations are often amplified as the child's challenges can collide with typical developmental changes all children experience. Parents can become at odds with the child, or even between themselves, when searching for the best responses to these tough situations. Other children in the home can also be impacted, as the problem circumstances become a common part of their day. During this one-day workshop, participants will be provided with practical, flexible alternatives they can draw upon to teach new skills at home, help establish daily routines and effectively prevent or respond to challenging situations.

Who is invited:

Parents, those parenting, and anyone interested in learning

Catering:

Morning tea and lunch provided. When registering please note any dietary requirements

Cost:

\$20.00 per person, due on registration

Please note:

St Patrick's School will cover the cost for any parent/carer who wishes to attend (Children are unable to attend the workshop so you will need to make arrangements to have your child/children looked after for the day)

Registrations CLOSE on Thursday 25 July 2019
