# ADVENT

This week marks the beginning of Advent, the time of preparation for Christmas, celebrating the birth of Christ. Last Monday, our Year 5/6 students lead an Advent Liturgy in our school hall. It was a wonderful prayerful time.

Next Monday at 9.00am, the Year 3/4 classes will lead the school in an Advent Liturgy and the following week, it will be the turn of our Junior School students. Parents and friends are ALWAYS welcome to join us.

So, why go to all this bother! We all know that we are going to get "slapped" with Christmas related "stuff" from here on in. It's already started on the TV.

However, we think that it's important to push through the commercialism of Christmas and get to the real story which is the birth of Christ.

There is nothing wrong with Santa who, incidentally, draws his traditions from a deep Christian tradition. There is nothing wrong with gift giving which shows love to our family. Certainly nothing wrong with donating to St Vinnies, The Salvos, Anglicare etc who are following a strong Christian tradition – "Truly I say to you, as you did it to one of the least of these my people, you did it to me" (Matthew 25:40). God is love and at this very special time of the year, love abounds. We just have to make sure that the story of Christmas doesn't get lost in all that commercialism.

That's we want for our children, to be loving and loved people of God. There is no greater time to celebrate this love than at Christmas, surrounded by family and reaching out to others in need.

Dear Parents,

With less than three weeks until the end of term, things will be getting quite frantic at times. There is still so much to do and not enough time to do it. I hope that teachers, parents and students can find some time to reflect on the true meaning of Christmas. Sure, the presents, food and family are fun, but it can sometimes mask what Christmas is really all about. So, let's spread the love and look out for others too. That's a great segway into the next article. Thank you in anticipation for supporting St Vinnies with their Christmas Appeal.

THANK YOU **360 PLANS BUILDING DESIGN & DRAFTING** FOR SUPPORTING OUR SCHOOL

## St Vincent De Paul Collection

As a school, we are collecting food stuffs for the St Vincent De Paul Christmas Hampers. These will be distributed to local families who may struggle a bit with the cost of Christmas.

St Vinnies have asked us to collect the following items:

- |                   |   |   |
|-------------------|---|---|
| <b>Year 5/6</b>   | - | <b>Soft drink, cordial or lollies</b>         |
| <b>Year 3/4</b>   | - | <b>Fruit mince pies and long-life custard</b> |
| <b>Year 1/2</b>   | - | <b>Chips/Cheezeels/Pretzels etc</b>           |
| <b>Foundation</b> | - | <b>Christmas cakes or mini plum puddings</b>  |

**Of course**, any donation of any sort will be gratefully received as long as it is long-life/non-perishable. The People from St Vinnies will be at school **next Wednesday** to collect the items (as they need time to make up the hampers before Christmas).

## School Concert – Tonight – 4<sup>th</sup> December

Our school concert will take place **TONIGHT** commencing at 5.30pm. **“Showtime” will be at 6.00pm.** The concert itself will run a little over an hour. At this concert we will be presenting roses to our departing families, as is our tradition. Families may wish to bring a picnic tea and have a picnic (or pizza etc) prior to the performances starting. There will be seating available, but families are welcome to bring their own fold up chairs if they so desire. I look forward to seeing you there.

## Helpers for Family Breakfast – PLEASE HELP

The Parents and Friends are looking for helpers for their FAMILY BREAKFAST being held on 13<sup>th</sup> December (Friday). We need about ten to twelve people to cook and serve. Thank you to those who have already volunteered to help.

## PREP Transition Days

The last of our Prep (FOUNDATION) transition days is set down for the following day and time:

10<sup>th</sup> December - 9.30am to 12.00pm

## Whole School Transition Day – next Tuesday – 10<sup>th</sup> December

Next Tuesday from 9.00am to 1.00pm, our classes will change around to the classes and teachers for next year. Unfortunately, one class will be without the teacher that will take the class as we have yet to finalise our employment process for the new staff member.

## P&F/School Council Dinner next Thursday, 12<sup>th</sup> December

Our School Council / P&F Dinner is set down for Thursday, 12<sup>th</sup> December at the Gateway Hotel. It will be a 6.30pm for 7.00pm start. Thank you to those who have responded. If anyone attending has any special dietary requests, could they please email me ([principal@spwangeratta.catholic.edu.au](mailto:principal@spwangeratta.catholic.edu.au)) as soon as possible. I look forward to celebrating another successful year with these two integral groups to the school.

## End of Year Mass – 18<sup>th</sup> December

Our End of Year Mass will be held on Wednesday, 18<sup>th</sup> December, in St Patrick's Church. It will begin at 10.00am. We would like to invite families to join with us to celebrate the end of the year. This Mass is always a special occasion.

THANK YOU **ANITA HAMILTON HAIRDRESSING** FOR SUPPORTING OUR SCHOOL

## Graduation Dinner – 18<sup>th</sup> December

On the evening of the 18<sup>th</sup> December, our Graduating Year Six class and their parents will participate in a Graduation Dinner. This will be held in St Patrick's Parish Hall commencing at 6.30pm. It is always a wonderful way of celebrating the completion of their primary school years and a great way to look ahead with confidence at the adventures that await in their secondary school years. It is always a highlight of the Year 6 year.

## Reports

Thank you to all the families as we now have everyone's email address. A link to access your child's report will be emailed out to families on Monday 16<sup>th</sup> December. The email will also send out a temporary password. A hard copy can be made available upon request to your child's teacher.

## Assembly – Friday

This Friday's assembly will be run by Years 1/2 Rinaldi and Bray. Parents and friends are always welcome to our assemblies. It begins at 9.00am in our school hall.

## After School Care for 2020

Thank you to the parents who have registered their child for After School Care next year. We have strong numbers across the week. In fact, we are full on Thursday nights. To this end we will investigate what it takes to extend our licence to accommodate extra students. We pride ourselves on over staffing the facility to make sure that the children are very well supervised. That will not change.

## Zooper Doopers

Annette is coordinating the sale of Zooper Doopers at the first break each Friday. Cost is 50c and any money raised will go to Caritas.

## School Council Nominations

Thank you to those who have nominated to be on the School Council. If you are still contemplating nominating for a position, then it's not too late.

***Nominations will close on Friday 13<sup>th</sup> December***

The school Council meets monthly (except in term breaks). There are about eight meetings per year. Please consider joining our Council if you have an interest in this area of school life.

A nomination form is below. If we get more names than places available, then a ballot will be held.

✂ .....

### ***SCHOOL COUNCIL NOMINATION FORM***

I \_\_\_\_\_ wish to nominate for one of the advertised St. Patrick's School Council positions. I understand if there are more nominations than places available, then a ballot will be conducted.

THANK YOU **WANGARATTA JEWELLERS** FOR SUPPORTING OUR SCHOOL

## MAYFAIR DONATIONS CO-ORDINATOR

Our Parents and Friends Association is looking for a DONATIONS CO-ORDINATOR for the Mayfair. This role does not require you to collect donations, simply co-ordinate the collection so that we do not inadvertently approach the same businesses a number of times.

If you can help, then please contact Annette or Rosie in the Office (57215795) and put your name on the list. I'll have the coffee machine "cranked" up as well on the day.

## Vacation Care

We have had a few inquiries regarding running a Vacation Care service over the Christmas holidays. Unfortunately, we are unable to run the service over the Christmas holidays. In 2020, we plan to run Vacation Care for the full two weeks of terms one, two and three holidays which will support our families by providing a valuable service which has already achieved sustainable numbers.

## School Hats

Students are expected to wear a hat at recess and lunch times in Terms One and Four. This is in keeping with our SunSmart policy. Children without a hat are required to restrict their play to under the pavilion to avoid excessive sun exposure. Children with a hat are free to roam at will (so to speak!). The school also provides sunscreen in each class which the students are free to use. Some parents elect to send their child along with their own sunscreen from home and that is perfectly fine as well.

## St. Patrick's PS APP REMIND

If you want to keep up with what's happening around the school, you can join REMIND.

It can be downloaded from the app stores to your devices using either of these links:

Apple - <https://goo.gl/IHQHGn> or Android - <https://goo.gl/FJWEv>

You will need to join our "Class" after you install and sign up - @spatwang, or St Patrick's Primary School Wangaratta

# **WHAT'S HAPPENING IN THE CLASSROOM**

## **FOUNDATION – Caz & Trish**

**Religion:** 'We Celebrate Christmas'. In this unit students will explore the celebration of Jesus' birth and explore the concept of waiting and preparing for special events in our lives. They will have an understanding of waiting and how it applies to their lives. They will be led to appreciate that Mary and Joseph waited for the birth of Jesus. They will be encouraged to relate their experiences of giving, receiving and celebrating to this important liturgical event. It will be reinforced that the Bible contains many stories that tell us about Jesus' life on earth.

**Literacy:** This week's fairy-tale texts are - Foundation Levesque - 'The Elves and the Shoemaker' Foundation Shaw - 'Cinderella'. The students are looking at the originals of these stories and adaptations. They will be writing their own books about their fairy tales and using their imaginations to change the story.

**Word Study -** (from big book) Levesque - elves, shoemaker etc, Shaw - coach, godmother etc.

**Mathematics:** The students will be revising mathematical concepts they have covered this year to consolidate their learning.

### ***Welcome to Week Nine!***

We begin the week by asking for your generosity, as we continue the lead up to Christmas. Our annual Vinnies hamper collection has commenced, collecting goods for families in our community. In the 1/2 area, we are requesting chips, cheezels, pretzels, shapes etc. Any donations of this kind are appreciated.

A reminder to return any outstanding permission notes; these include – TAFE excursion (tomorrow morning) and swimming permission and medical forms. Please return these as promptly as possible.

### ***End of Year Concert***

We are hoping to see as many children as possible at the concert tonight. Students are required to wear something in either red, white or green or something 'Christmassy' if these colours are not an option. Please don't purchase anything especially!

### ***Swimming***

The 1/2 students commence their annual swimming program next week and you will have received a timetable for the sessions, attached to the permission and medical forms. Dates for these sessions are listed below under 'Dates to Remember.'

### ***Curriculum***

With very few school days left for our students, we have decided to begin incorporating a Christmas focus within our Literacy, Numeracy and Religious Education program. We have also been busily rehearsing our carols for our end of year concert tonight. We can't wait to impress you with our singing!!

### ***School Uniform***

As the year draws to a close, it easy to forget about students coming to school in the correct school uniform This includes correct footwear and correctly coloured socks. We do understand that there will be times when children have outgrown footwear or clothing, and that these are expensive uniform items. If your child is required to be 'out of uniform' for some reason, please advise your child's teacher. This can be done with a note or an email. Thank you for your understanding.

### ***Absences/Late Arrivals***

Please be advised that if a student is absent due to illness, an appointment etc. or if he/she will be arriving to school late, the school office or the classroom teacher must be notified either by phone, email or a note. A verbal notification of absence by the student or a sibling cannot be accepted for legal reasons.

**Religious Education:** This week started with our first Advent Liturgy which led onto the students exploring the unit, 'Christmas – The Promise Fulfilled'. The students have been discussing what their understanding of a promise is and shared personal experiences of times when they have been promised something. The students are brainstorming promises the class could make this Advent, writing them on paper/card and putting them into a box. Each day, at prayer time, a student pulls a card out and the class are invited to keep this promise.

**Literacy & Inquiry:** This week each 3/4 class are at different stages of planning and preparing the backdrop for their chosen scenes. Each group is preparing, creating and organising the movements of each character in their chosen scene so that it can be turned into an animation. In preparation for filming, we have been exploring the use of stage directions, character actions and their dialogue as instructions for the play. Students have also worked with their inquiry group to plan, create, build or source materials for their scenery, characters and props. As some students are still bringing in items from home, we have asked them to check with parents before bringing in (named) items. Over the next week we are finishing off refining our scripts and collecting materials, ready for capturing images to use in the creation of our stop motion films using the 'iMotion animation' application. The children have put in a lot of time and effort and they are loving it!!

**Spelling:** This week in spelling the students are looking at the suffixes – 'ing' and 'ed'.

**Numeracy:** This week the students are investigating the connection between decimals and fractions. Using concrete materials and digital technology the children are exploring how the place value system can be extended to tenths and hundredths.

**Food for thought:** Every year the school has a collection for the St Vincent De Paul Society hampers. This year we are asking the 3/4 students to bring in Fruit Mince Pies and Long-Life Custard. We appreciate your support for this worthy cause.

**Uniforms:** Even though there are only a few weeks of school left, could parents please ensure their child comes to school in the correct school uniform, including appropriate footwear and correct coloured socks (not black). We understand that there will be times when children have outgrown footwear and that this is an expensive uniform item. If your child is required to be 'out of uniform' for some reason, please advise Mr Corrigan and your child's teacher. This can be done with a note, email or a phone call. Thank you for your understanding.

**Absences/Late Arrivals:** Please be advised that if a student is absent due to illness, an appointment etc. or if he/she will be arriving to school late, the school office or the classroom teacher must be notified either by phone, email or a note. #### **Numeracy Focus**

This fortnight students have been working on a 'projected profit and loss' statement. Students have worked on a Google Sheet spreadsheet set up by Mr Ackerly (helps to have accountant contacts!). Students have had to prove to their teachers that their business was going to make enough profit. They have experimented with changing formulas/values to check intended profits.

**Literacy Focus** - Students will write a 'memoir' of a natural disaster survivor. They will use synonyms of 'expensive' vocabulary studied throughout the unit. Students will be aiming to use imagery to make their writing striking and memorable for their reader.

**Inquiry** – Thank you for supporting the Bizarre Bazaar Market last week. Year 5/6 students have completed their profit and loss statements (most companies made a profit) and collectively students made a profit of around \$512.00 ready to send to their charity 'UNICEF Australia'.

**RE** - As we approach the Advent season, the students will be examining the following enduring questions related to the Feasts of the Christmas Season:

How do we know Jesus?

Where do I find Jesus in my life?

#### **Communication:**

To contact your classroom teachers, we encourage you to use the school emails or call the school directly (57215795). As always you are also welcome to visit the classroom.
