St Patrick's Primary School, Wangaratta, would like to acknowledge the Yorta Yorta Nation, whose clans include Bangerang (Pangerang) Kaitheban, Wollithiga, Moira, Ulupna, Kwat Kwat, Yalaba Yalaba and Ngurai-illiam-wurrung, as the Traditional Custodians of the land on which our school is situated.

This school supports the CHILD Safe Standards (Ministerial Order 870) and actively seeks to ensure that all students are kept safe from all forms of harm at all times.

ST. PATRICK'S SCHOOL NEWSLETTER

4th December, 2018

Preparing

Last Monday, the Year 5/6 students lead us in a liturgy to mark the beginning of Advent. They did a great job. It's nice to stop and remind ourselves what Christmas is really all about. I asked each child to make a special effort to do one nice thing per day for someone else this week. I was thinking about that last night, that's about one thousand seven hundred and fifty acts of kindness in our school this week alone (if you count the staff – who are always kind!). God at work in our world spreading love and compassion. A truly beautiful thing and a great lesson for our children as they are the leaders of tomorrow.

Speaking of preparing, our beloved teacher, Sarah Smith, is preparing for another celebration and milestone. You see, Sarah is marrying the love of her life, Brent Newton, this Saturday. I can see what she sees in him. It's not just his "swarthy" good looks but also because he is an ex St Patrick's student (what's not to love about that!!!). This will mark a new and exciting stage of their life and the beginning of a journey together that I hope will be filled with love and contentment. I have been "caught" in cars with Sarah in recent months as we travelled to Professional Development in Melbourne. The way that she speaks of her beloved Brent tells me what beautiful synergy these two people have together. A beautiful match, I'd say.

Please keep Sarah and Brent in your thoughts and prayers this week as they prepare to "tie the knot" and enter the next stage of their lives together.

Dear Parents,

The newsletter is a day early this week as the school will be closed tomorrow for a Planning Day. At this time of the year, there is always lots to do and not enough time to do it. Hence, the number of things that I have to tell you has gone up a bit in this edition.

CLOSURE DAY – TOMORROW

ST PATRICK'S SCHOOL will be closed **TOMORROW** Wednesday, 5th December for a Planning Day for 2019.

THANK YOU PLOUGH INN HOTEL FOR SUPPORTING OUR SCHOOL

St Patrick's Mass – THIS SUNDAY

This Sunday, St Pat's school is participating in the Mass. The Mass begins at St Patrick's Church at 10.30am. Our Religious Education Co-ordinator, Andrea O'Connor is busily getting together helpers in the form of readers, commentators and offertory procession. If you'd like to be involved, then email Andrea on: aoconnor@spwangeratta.catholic.edu.au. We would love as many families as possible there. If you don't fancy a job, we'd still love to see you there.

Advent Liturgies

As part of our preparation for Christmas, each area of the school has planned an Advent liturgy each Monday. Last Monday the Years 5 and 6 classes lead the liturgy. Next Monday the Year 3/4 classes will lead us and the following week, the Junior classes will hold the honour. The liturgies begin at 9.00am in the school hall (instead of our usual flag raising and National Anthem). Everyone welcome!

St Vincent De Paul – A big thank you!

Each class has been collecting foodstuff for the St Vincent De Paul Hampers. The school has collected a fantastic number of things that will be presented to representatives from St Vinnies at our Assembly this Friday. Many thanks for your generous donations.

Foundation Transition

Our next Transition Day for Foundation is next Tuesday 11th December from 9.00am to 12.00pm. Children will need a snack and a water bottle.

Upcoming Dates to REMEMBER

11th December

Foundation and whole school Transition Day - Our Foundation intake for 2019 will join us from 9.00am to 12.00pm. Also, during the morning sessions, the rest of the school will move to their new classroom for 2019 to get a glimpse of their class and teachers. It's always an exciting and fun time.

12th December –

Christmas Concert – St Patrick's Pavilion commencing at 5.30pm – Along with some plays and acts, roses for departing families will be presented. Feel free to BYO chair if you don't fancy sitting on a hard bench. Everyone is welcome.

19th December

- 10.00am** **END OF YEAR Mass of Thanksgiving**, at St Patrick's Church. Everyone welcome.
- 2.00pm** Our last school **Assembly** for the year which will be run by the Year 6 students and teachers. Everyone welcome.
- 5.30pm** Families of Year 6 students pre-dinner get together (on lawns near Catholic Education Office)
- 6.30pm** **Graduation Dinner** in the Parish Hall.

THANK YOU **BI-RITE ELECTRICAL** FOR SUPPORTING OUR SCHOOL

Foundation to Year 2 Swimming

This will take place next week (Monday, Wednesday, Thursday, Friday and the following Monday). We've had to miss the Tuesday as it is Transition Day and the Foundation teachers will be inundated with our next year's students!

Last Day for students – REMINDER

Students will finish on Wednesday, 19th December at 3.30pm, as we will be rearranging rooms and setting up our library in preparation for 2019 on the Thursday and Friday (20th and 21st December).

School Board Dinner

Our School Board Dinner will be held next Thursday. I'll be sending out an email to Board members in the next day or so to confirm numbers.

Parents & Friends Dinner

Last night, members of the P&F came together to celebrate the year. The P&F do a magnificent job. In the last five years, they have raised \$205,000 which they have used on a number of projects such as: the new playground, classroom readers, professional and personal development for parents and teachers (Resilience Project), sports uniforms, sports equipment for our Saturday competitions, a Pastoral Wellbeing fund to enable all students to access a complete education. They played a role in so many areas of school life. We would be lost without them, not because of the money that they raise but because of the people that they are. They make our school a nice place to be. Thank you, P&F, for all that you do.

Reports

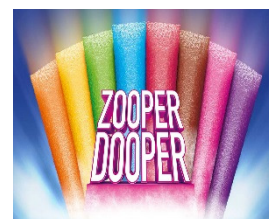

Reports are being sent home on Friday week (14th December) so keep an eye out in your child's bag. Next year, we will explore making an electronic version available to parents who are interested. This year, though, they will be a printed copy.

Twilight Sports

A big thank you to the teachers for their efforts at last Wednesday's Twilight Sports. We had difficulty getting onto the ground but once we did, things happened pretty quickly. Thank you also to the many helpers on the BBQ. Finally thank you to Andrew Crimmins from the Glenrowan Hotel for the loan of his portable BBQ (what a fantastic device).

Zooper Doopers

On Tuesday and Thursday of this week and next week, some students are selling Zooper Doopers at the first break. Cost of the icy treats will be 50cents and all money raised will go to St Vincent De Paul. There is no obligation to buy. It's just a nice way to encourage our students to support a local charity that does such good in our community.

Hats and Sunscreen

Hats need to be worn at recess and lunchtimes during term four. Students without a hat will be restricted to playing under the school pavilion in the interests of sun safety. All classrooms also have sunscreen available to students to use. Parents may also opt to send their child to school with their own sunscreen if they so choose. School hats are available from Steer Clothing (opposite the railway station).

THANK YOU **EVANS SHOES** FOR SUPPORTING OUR SCHOOL

Christmas Hampers for St Vincent De Paul Society

We will be collecting goods again this year to donate to St Vinnies for their Christmas hampers. As in past years, each year level is allocated a food type so that the people at St Vinnies can put together a hamper for families who struggle to make Christmas a festive occasion due to a range of circumstances that is not of their doing.

Here is a list of things that we are hoping to collect. St Vinnies will pop into school on 7th December to collect all the groceries that we have collected in readiness to construct the hampers.

Prep	- Mince Pies and Cheezels	Year One	- Biscuits, tins or box
Year Two	- Candy Canes	Year Three	- Christmas Stockings
Year Four	- Tins of Fruit	Year Five	- Soft drinks and Long-Life custard
Year Six	- Christmas Cakes

Foundation Mrs Bray	A big pat on the back to <i>NIXON GALES</i> for his wonderful year of learning. We are so proud of how hard you have worked!
Foundation Mrs Levesque	Congratulations to <i>JAX BORSCHMANN</i> for the enthusiasm he has for learning. He has achieved marvellous results this year and has made many new friendships due to his kind and caring personality.
Foundation Mrs Shaw	Congratulations to <i>MAISY PERNA</i> for her excellent reading efforts this term. She has really worked hard to improve her fluency and she has succeeded. Great work, Maisy!
Year 1 Cassidy/Garnham	Congratulations to <i>MICHAEL CARLYON</i> for greeting his friends and teachers with a friendly hello each and every day.
Year 1 Mrs Dayman	Congratulations to <i>COOPER ROMAN</i> for his fantastic home reading efforts throughout the year. Well done Cooper, you should be very proud of yourself!
Year 2 Ms Rinaldi	Congratulations to <i>EVA PARKINSON</i> for consistently focusing on her work tasks and avoiding distractions throughout the year. You set a great example, Eva!
Year 2 Mr Capper	Congratulations to <i>CHARLOTTE MULLAVEY</i> for being a beautiful, motivated and independent student with a great love of learning. She strives to do her best at all times. We are so lucky to have Charlotte in our class!
Year 3/4 Miss Smith	A big pat on the back to <i>ALEXANDRA NOLAN</i> for remaining focused during reading and writing sessions. She has put a lot of effort into her Information Report on Neighbouring Countries of Australia. I can't wait to see the end product. Keep up the excellent work!
Year 3/4 Mrs Rizzo	A big pat on the back to <i>CORDELIA PORTA</i> for her persistence and determination during sport this year and at the Twilight Sports. You really have the true spirit of sportsmanship, Cordi! Well done!
Year 3/4 Mr Levesque	Congratulations to <i>BROOKE STYLES</i> for her wonderful efforts to complete a creative Information Report on Papua New Guinea.
Year 5 Nicoll/Lynch	Congratulations to <i>CODY JOHNSON</i> for the calm manner in which he approaches technology-related issues and solves problems.
Year 5 Mrs O'Connor	Year 5 O'Connor would like to wish <i>TYELER MCKINDLAY</i> good luck at his new school in Leeton. We will miss his sense of humour and friendship around St Patrick's School.
Year 6 Mrs Ackerly	Congratulations to <i>JOSHUA STYLES</i> for the impressive improvement he has shown towards his learning. Josh is achieving his potential in class and shown his intelligence through his efforts. Keep it up, Josh!
Year 6 Mrs Rickard	Congratulations to <i>GEORGIA WINSLADE</i> for consistently working hard on all set tasks as she completes her final year of Primary School. Keep up the great work, Georgia!
Special Award Mrs Lyons	Congratulations to <i>EARNEST BYRNE & JAY GULEY</i> for working really hard in Reading Recovery and using strategies to help them work out unfamiliar words – so proud!

WHAT'S HAPPENING IN THE CLASSROOM

FOUNDATION – Caz, Karen & Trish

It is unbelievable to think it is December! Summer is here, which means Christmas is around the corner and the school year is nearly over!

THANK YOU for YOUR GENEROSITY to the St Vincent De Paul Christmas appeal. We had many packets of cheezels and mince pies that were brought to school last week. Thank you. You all have been invited to the Foundation classes Reader's Theatre this Tuesday and Thursday. It is an opportunity for the students to read a fairy tale to an audience.

Religion

This week the students begin the unit 'We celebrate Christmas'. The students will learn that Advent is a time for waiting and preparing for the birth of Jesus. They will discuss 'waiting' and how they feel about waiting for things.

Literacy

This is the last week the students will read and discuss a Fairy Tale.

This week, the Foundation classes will focus on -

Foundation Shaw - Three Billy Goats Gruff

Foundation Bray - Gingerbread Man

Foundation Levesque - Jack and the Beanstalk

Mathematics

This week, the students will revise their understanding of place value and continue to count forwards and backwards from various numbers. They will read, order and make numbers.

Game - Roll two dice or turn over two cards. Say the number. What number is one more, one less? (Extension - Use three/four dice. Add ten/hundred or take ten/hundred from the number rolled)

Inquiry

As a part of our unit 'Great and Small', the students will consider how places change and how we need to adapt to these changes. Through time lapse videos, the students will view the changes that occur in the life of a monarch caterpillar such as: chewing a hole in the egg, wiggling out of the egg, eating leaves to get bigger and becoming a caterpillar.

The students will be asked to consider what they might see during each season. They will link the seasons to changes in animals and consider what they are differently.

Show and Tell:

This week - A book I can read

Next week - Favourite Christmas Carol

Dates to Remember: please check

Tuesday 4th December - Reader's Theatre 9.10am

Wednesday 5th December - PUPIL FREE DAY

Thursday 6th December - Reader's Theatre 2.45pm

Tuesday 11th December - Orientation Day 9.00am-1.00pm Children to go to Year 1/2 classrooms

Monday 10th - Monday 17th Dec - Foundation Swimming Program

Wednesday 12th December - Christmas Concert - 5.30pm

THANK YOU **COL WYLLIE APPIN STREET BUTCHERS** FOR SUPPORTING OUR SCHOOL

YEAR ONE/TWO – Janina, Amanda, David, Fran & Erin

What a wonderful night we had at Twilight Sports last Wednesday, thank you to all the families that were able to join us and watch their children participate. We had a very informative and interesting visit from Christian Overberg, paramedic and father of Tom (1CG) on Wednesday, giving us an insight into the role paramedics play in keeping our community safe and healthy. Could all library books please be returned this week to avoid receiving a fine for overdue books. At this time of the year we need to ensure that the children are rested and ready for a busy countdown until the end of the year. There have been a lot of children coming to school tired at the beginning of the day which makes for a very long day.

*The Junior School will be presenting assembly this Friday - all welcome!

*Please ensure that swimming permission notes are returned, as this commences next week.

LITERACY

Year One

Reading: We are looking at '**inferring**' as a strategy to help us comprehend while reading again using great picture story books.

Writing: We are continuing to look at Persuasive writing and the different forms it can take. The children will have an opportunity to express an opinion and do their best to persuade others through their persuasive writing pieces.

Spelling: We are revising some of the sound blends that we have looked at throughout the year and high frequency words.

Year Two

Reading: An emphasis on using appropriate expression, eg pitch and pause, and attending to punctuation. They will also continue to use comprehension strategies to build literal and inferred meaning to expand content knowledge, integrating and linking ideas and analysing and evaluating texts.

Writing: We will continue to revise correct choice and consistent use of pronouns throughout writing. In handwriting we are revising the correct formation of letter '**Jj**'.

Spelling: We are looking at '**y**' words as in pony and looking at these words within our everyday reading.

MATHS

Year One - This week in Numeracy we will continue to do lots of revision work in the areas of Number and Algebra, Measurement and Geometry and Statistics and Probability.

Year Two - The children will be reading and interpreting calendars and continuing to explore similarities and differences between the months.

RELIGION

This week in Religion we continue our work on Advent. We look at the story of Mary's visit to Elizabeth. (Luke 1:39-47;56) and then role play this story with a partner. We also look at the Advent Wreath and discuss the 4 candles and how they represent something different each week of Advent.

THANK YOU **DONNA BELLA LINGERIE** FOR SUPPORTING OUR SCHOOL

INQUIRY

We continue to focus on 'People and Places in our Community'. The children have been working on completing a 'Birds eye view' of their community of Wangaratta with a focus on including all of those important places such as the Police Station, Fire Station, Newspaper and Library, some of which we were fortunate enough to visit during the Term.

IMPORTANT DATES:

5th December - School Closure Day

7th December - Junior School Assembly

10th December - 17th December - F-2 Swimming begins

11th December - Transition Day

12th December - Christmas Concert

14th December - Reports go home

17th December - F-2 Advent Liturgy

19th December - Last day school for students / Mass of Thanksgiving

YEAR THREE/FOUR – Sarah, James & Karen

We would like to thank all our families for their support at the Twilight Sports last week. It was a wonderful night and great to see the children supporting and cheering each other on.

Dates to remember:

5th December: Closure Day (No school)

10th December: 3/4 Advent Liturgy

11th December: Whole School Transition Day

12th December: Christmas Concert 5.30pm under the Pavilion

19th December: End of Year Mass 10.00am

Religious Education:

Over the next three weeks the students will explore the unit, 'Christmas the Message of Joy and Peace'. The students will develop their understanding of Christmas as a time to celebrate the birth of Jesus Christ and that it is a time of sharing joy and peace to the wider community. This week starts with our first Advent liturgy followed by creative activities related to the definition of Christmas, peace, joy and how we celebrate Christmas.

Literacy:

Reading

Students look at information about our Neighbouring Countries from Inquiry. They will first read information about their selected country and where it is situated. Students will highlight key words from the information they have read.

Writing:

Revise the difference between dot points and writing sentences when reading/listening to information. The students will then listen to an information report about one of Australia's neighbouring countries. After discussing key words, they will write down dot points and then turn them into sentences using their own words.

Spelling:

This week in spelling the students are looking at words from our Inquiry unit, 'Our Island Home', finding their meanings, put them into sentences and also use them in their information report.

THANK YOU **ATHLETE'S FOOT** FOR SUPPORTING OUR SCHOOL

Numeracy:

This week we are looking at 'Location' and 'Mapping'. The students will create and interpret maps to show position and pathways. They will learn to use simple scales, legends and directions to interpret information contained in basic maps.

Inquiry:

This week in Inquiry, the students are naming, creating and designing their 'island home'. It will include designing a flag, a coat of arms, writing a national anthem, finding a location and describing the island's climate and weather. It should be fun!!

Food for thought: as there is a change in this term's timetable with the middle block being longer, it might be a good idea to pack an extra piece of fruit or sandwich for that extra bit of energy!! Also, with the weather warming up, please ensure your child has a water bottle. Thank you!!

YEAR FIVE/SIX – Nara, Paul, Andrea, Helen, Sharyn**Literacy/ Inquiry**

In Reading this week students are continuing to learn to think critically about different types of text. They are using a variety of non-fiction texts to develop an understanding of the different genres and special forms within the larger category of non-fiction texts. Students are also learning how to express their reasoning relative to a writer's purpose in selecting a particular genre, topic, subject or type of narrative structure.

This week, writing and Inquiry are combined as students are preparing their PowerPoint business plan presentations. This will include an explanation of the product or service they are providing, how the product or service will be marketed and potentially sold, as well as data obtained and analysed from the market research surveys.

Numeracy:

Over the course of the next week, students will be continuing to develop their understanding of measurement through a variety of hands on learning experiences. This will include:

- calculating the perimeter and area of rectangles.
- converting between different units of measurements.
- measuring/ calculating mass, volume and capacity.

Religious Education

This week students are working on a new unit called '*What was the Message of John the Baptist?*'. In this unit students will explore some of the readings of the season of Advent, specifically focusing on how John the Baptist answered the call of God to proclaim the promise of the Saviour and challenge individuals to conversion. Students will be guided to compare this to a modern day 'John the Baptist', an individual who challenges them to deepen their understanding of the Good News and calls them to participate more fully in the life of the Church through their own words and actions.

Social Emotional Learning (Rights, Responsibilities and Respectful Relationships)

We are continuing to focus on 'Gender and Identity'. Our students are analysing '...the impact of peer and adult actions in maintaining or changing contemporary gender norms; developing an awareness of the impact of gender norms on the attitudes and behaviours of those entering adolescence; identifying the standards and associated actions that underpin respectful gender relations.' (Resilience, Rights and Respectful Relationships p. 64)

Christmas Concert

On Wednesday 12th December our students will be taking part in a performance titled 'Star Night' at our Christmas Concert, commencing at 5.30pm. The concert will take place under our school pavilion. Families who are leaving St Patrick's Primary School at the end of 2018 will receive their rose at the conclusion of the concert. **Whilst we understand that it is a very busy time of the year it would be wonderful to see as many people in attendance as possible, so that we can celebrate the conclusion of our school year together.**

Advent Mass: Sunday 9th December

The St Patrick's Parish Advent School Mass will take place on Sunday 9th December at 10.30am, at St Patrick's Church. Children and their families are encouraged to attend and participate in the Mass. Students will be invited to read the Prayers of the Faithful and participate in the Gospel and Offertory Processions. Any students who would like to be involved please let Mrs O'Connor know so that she can allocate roles as soon as possible.

End of Year Thanksgiving Mass: Wednesday 19th December

The End of Year Thanksgiving Mass will be held at St Patrick's Church at 10.00am on Wednesday the 19th December. All families, both immediate and extended, are invited to attend.

Final School Assembly: Wednesday 19th December

Our last school Assembly for the year which will be run by the Year 6 students and teachers, will be held on Wednesday 19th December at 2.00 pm. Everyone welcome to attend.

Last Day for Students: Wednesday 19th December

A reminder that students will finish on Wednesday 19th December at 3.30 pm. We will be re-arranging classrooms and setting up our library in preparation for 2019, on Thursday 20th and Friday 21st December.

Year 6 Graduation Dinner: Wednesday 19th December

The Year 6 Graduation Dinner will be held in the Parish Hall at 6.30 pm. Year 6 students and their families will gather for a pre-dinner get together at 5.30 pm on the lawns near the Catholic Education Office.

Communication:
