## ST. PATRICK'S SCHOOL NEWSLETTER

13<sup>th</sup> October, 2021

### Hey, Hey .... Where did that time go?

On the weekend, I watched the "Hey, Hey – It's Saturday – 50<sup>th</sup> Reunion" program. I know that I'm showing my age but that show was a big part of my youth. It was Saturday mornings "vedging" out in front of the TV before heading off to footy or some other pursuit. As I sat there, with my iPad on my lap, I found myself checking to see what various people were up to, what had become of their lives (the new career paths, the retirees, the deceased etc). It certainly made me contemplate the fragility of life as well as the beauty of the experiences that we all have in our journey through life. In a strange way, it made me feel young again as I recalled some of the various scenes from years ago (sad I know! LOL).

At the risk of sounding morbid, and I don't mean to be, there are no guarantees in life, there's only the hope that all will be well. What I do with this gift of life is entirely up to me.

I can choose to be selfish and put my needs above all others, or I can share this gift with others and make the world a better place for those around me. Strangely when I do this, I seem to make the world a better place for me too. The image of God as a parent who loves unconditionally should also be our model for how we see and interact with the world.

Dear Parents,

Well, hopefully, there are only two weeks left of lockdowns for the students when we can welcome all of the students back together again. The 26<sup>th</sup> October is the BIG DAY hopefully!

The Year 3/4 classes have enjoyed reconnecting with each other and I'm sure that it will be the same for the Year 5/6 students when they return on Thursday and Friday of this week. I know our teachers are really looking forward to welcoming them back.

THANK YOU ANNIE MAYFIELD FOR SUPPORTING OUR SCHOOL

# New Face Mask Regulations

We have received new directives from the Victorian Chief Health Officer regarding the wearing of face masks at school for Primary aged students (Years 3 to 6). I have included the relevant directives from the current government guidelines (below).

Please see [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au) for the latest face mask requirements. For all school settings, the Victorian Chief Health Officer Directs:

- students in Year 3 to Year 6 to wear face masks when indoors on school premises, unless an exception applies
- Recommends that all other children wear face masks when at school, attending an OSHC program, or when travelling to and from school on public transport, taxis or ride share vehicles.

There are a number of lawful reasons for not wearing a face mask, including for staff and students who are unable to wear a face mask due to the nature of their disability, medical or a mental health condition. A face mask must cover the nose and mouth. Face shields, scarves or bandanas do not meet these requirements.

**We ask that parents send their child to school with a face mask if they are in Years 3 to 6.** Please make sure that they are appropriately marked as they are only required to be worn indoors and the students are not required to wear them during recess/lunch times whilst outdoors (unless they choose to do so).

I can only hope that, once restrictions ease in a few weeks, that this directive will no longer be required.

## Reconciliation

The Parent Meeting for children who will be making their Reconciliation, will be held on **October 21st via zoom at 7.00pm**. The link will be sent out closer to the date. If you haven't already enrolled your child for the Sacrament of Reconciliation then please contact our school office on 57215795 or email Andrea O'Connor ([aoconnor@spwangeratta.catholic.edu.au](mailto:aoconnor@spwangeratta.catholic.edu.au)).

Due to current COVID restrictions, preparation for the Sacrament will be completed at school and not in the small home groups.

## Confirmation/Eucharist

We are still waiting for restrictions to ease to enable our parish to celebrate the Sacraments of Eucharist and Confirmation. As you would recall, it had to be postponed due to COVID restrictions. As soon as we are informed as to how and when this will occur we will communicate this to the families of those children who have completed their preparation.

## School Hats

During term four school hats are required to be worn outside as part of the school's Sunsmart Policy. We have been a bit lenient with the rule for the first two weeks to allow students (or parents!) to find their hats. Beginning next week, students who do not have a hat will be restricted to play under the pavilion at school to protect them from the sun.

## Naplan (Years Three and Five)

The results from this year's Naplan testing will be sent home in coming days. Usually, we ask parents to collect them so that we can provide feedback on how this test compares to the schools, more comprehensive, testing regime. This cannot happen this year due to COVID restrictions. I would ask though, if you have any questions or queries, then please telephone/email your child's teacher to discuss the result.

THANK YOU **WATERMARC** FOR SUPPORTING OUR SCHOOL

## School Photos – NEW DATE – 12<sup>th</sup> November

Yes, it's happened again! We have had to postpone our School Photos yet again (due to COVID restrictions). School photos will take place on Friday, 12<sup>th</sup> November. Fingers crossed that it will happen on that date. At the rate we are going, the Foundations students will be in Year 12 before we get the job done! (LOL)

## Current Teaching and Learning arrangements – Both Onsite and Remote

The government have outlined a return to school strategy to allow students to return full time. The details are listed below. I have also attached a graph from the government website to provide further clarity.

## School Closure – First Aid – 1<sup>st</sup> November

St Patrick's will be closed on Monday, 1<sup>st</sup> November to allow staff to undergo Level Two First Aid training. I realise that, coming back from a lockdown, that it is not the ideal situation. However, it is a requirement that all schools retain First Aid training of staff and we have been trying to do this since the beginning of the year when it fell due. Apologies again for the inconvenience.

THANK YOU HAML A OLIVE GROVE FOR SUPPORTING OUR SCHOOL

## Book Parade – 19<sup>th</sup> November

As I mentioned last week, I am determined to have a Book Week Parade once we get clear of all of the lockdowns and restrictions. The date has been set for Friday, 19<sup>th</sup> November. I think that it will be a fun thing to do when we are all together again and it will be one of my last little indulgences as Principal.

## School Fees – Sent home today

School fee notices are being sent home today in your child's school bag. I would appreciate these being addressed as soon as possible. If payment presents a problem, then please make an appointment to see me.

# **SQUID GAME**

SQUID GAME is a Korean series airing on Netflix. Centered around 47-year-old Gi-hun, who lives with his mother and sometimes works as a chauffeur. After stealing his mother's savings and gambling with it, he is hunted down by debt collectors who threaten to take his kidney and eye if he does not come up with the money he owes within a month. His 10-year-old daughter lives with a wealthy stepfather, and many other things make life look pretty grim for Gi-hun. Then a mysterious stranger with a briefcase approaches Gi-hun in a subway station, enticing him to play a child's game for serious money. When he loses, he is slapped. When he wins, he makes good money. **The messages in Squid Game are not appropriate for young teens and tweens.**

**Parents should know that the level of violence is highly intense in Squid Game, and it is not suitable for young teens and primary school-age children.**

Some of the most popular and innocent children's games in the 1970s and 1980s South Korea are reinvented as a mysterious survival game with a 45.6 billion cash prize for the winner. There is a catch, however: losers must pay with their lives! A group of 456 financially desperate people voluntarily risk their lives for the penultimate prize. They participate in six twisted games Squid Game, in the words of writer-director Hwang Dong-hyuk, is a dark and macabre take on 'modern capitalism' that depicts extreme competition while still being able to incorporate emotional, dramatic & theatrical aspects to the story. Characters are killed and tortured for the sadistic pleasure of a game master. There is sex; there are threats of sexual violence, women assaulted. It also includes reference to the highs one gets from gambling; winning or coming into an enormous amount of money is the main focus of the squid game.

At a South Korean news conference for the show director, Hwang Dong-hyuk said he settled on "Squid Game" as the drama's title based on his recollections and rendition of the sport.

"Squid Game was the most physically aggressive childhood game I played in neighbourhood alleys as a kid, which is why I also loved it the most," Hwang said. "In a way, it is the most symbolic game that reflects today's competitive society, so I picked it out as the show's title."

The Squid Game is named after the squid-like diagram usually drawn on sandy fields. Players split into two teams, with attackers trying to reach and dominate a "land" or home base, usually hopping on one leg out of bounds, while offense players push, pull and try to keep their opponents outside the lines.

Even though adults have overwhelmingly positive reviews about this series, **there is a lot of torture and murder that seem to be celebrated.** The concept of the super-rich using misery of poor and desperate humans is certainly not new for horror. The series has compared to a hybrid of Money Heist meets The Hunger Games and Stranger Things, but way more violent.

The amount of killing is horrific, and the methods are awful. There is a graphic image of an eyeball being taken out of the body - it is not easy to skip if you do not know it is coming. Sensitive or younger viewers should avoid watching Squid Game on Netflix.

**As always, we recommend that you watch it first and talk to your kids about the themes if you decide to let them watch it.**

**Consider the impact and possible desensitisation to extreme violence, gambling, and addiction. Make sure your children/students know that playing violent games like this at school is not ok under any circumstances.**

The children are well rested and have had a terrific start to Week 2. We encourage you to continue with a predictable night time routine and a reasonable bedtime, to ensure the children are well rested each day. They have adjusted well to the flexible timetable that has occurred this week due to the staggered return to school for students in Year 3-6. ## **Literacy:**

This week students have continued with the study of 'Script Writing' as part of their literacy activities, with a particular focus on the role of the narrator. This continues on from their previous work in writing dialogue for characters and exploring changes in formatting required for writing play scripts. In Reading, students have completed a range of activities this week which have included a focus on sequencing information and on recognising and summarising ideas.

## **Spelling:**

Our focus phoneme this week was the consonant sound '-z' as in buzz. Students were exposed to a range of grapheme representations of this phoneme, such as, '-ze' as in squeeze, '-s' as in does, '-se as in raise and '-x as in anxiety.

We are also looking at the spelling of homophones, with a particular focus on the words 'their/there/they're, blue/blew, hour/our and deer/dear'.

## **Mathematics:**

This week in Mathematics the Year 3 and 4 students are continuing to work on money. In Remote Learning they practiced calculating change and identifying the coins or notes needed to provide a specific amount of change. In class, students have explored different currencies around the world and looked at how different currencies can be exchanged for different amounts of the Australian dollar. The students were very surprised by the difference in exchange rates. For example, they discovered that one euro will get them \$1 Australian dollar and 60 cents, but one Mexican Peso will only get them 6 Australian cents!

## **Religious Education:**

This term, we have started our new Unit 'Jesus Models Forgiveness'. In this unit students will be given an opportunity to understand how Catholicism teaches us that through sin we harm our relationship with self, others and God. Students will learn that Jesus teaches us about healing, forgiveness and reconciliation. Through the Scriptures the students will come to know Jesus' loving acceptance of others. This week we have begun to look at the parable of the Prodigal Son, and we are exploring the messages of forgiveness within this parable.

## **Inquiry:**

As a part of our new inquiry unit, 'Frame by Frame', we have been exploring the evolution and history of film. Students have learnt how movies have their origins in oral storytelling. Later, the arrival of print allowed these stories to be shared more widely with audiences and led to the evolution from print into moving images. Moving picture films were then improved with the added effects of sound, colour, and computer generated images. This week, students reflected upon the importance of these technological advances and considered how the internet has recently revolutionised the availability of film and movies in our world today.

**iPads:** Throughout the staggered return to school, students will be required to take iPads between school and home in their bags. We have discussed in class the importance of carefully handling their devices while in transit. We also ask that parents help remind their child/ren to be mindful of their bags and devices as often students forget and can be rough with their bags after a big day at school.

**Uniform:**

In Term 4 hats are compulsory for students to wear when outdoors at school. Please ensure your child has a St Patricks hat with them in their bag for school. Also students are required to wear their summer uniform.

**YEAR FIVE/SIX – Helen, Sharyn, Jess & Amanda****Dates to remember:**

- Thursday 14th & Friday 15th - Students back at school
- Monday 18th - Wednesday 20th - Remote Learning at home
- Thursday 21st & Friday 22nd - Students back at school
- Tuesday 26th - All students back onsite
- Monday 1st November - Pupil Free Day (No School)
- Tuesday 2nd November - Melbourne Cup Day (No School)
- Friday 12th November - School Photos

We are looking forward to welcoming all of our students back tomorrow!

**Literacy:**

This term in Literacy the students will be continuing their reading activities during Literacy Circles developing their reading and comprehension skills. In writing they will complete their Fractured Fairy Tale as a book to share with the younger students. The Year 5's will then start to look at the leadership roles they may like to participate in next year and will write their persuasive letter convincing the teachers of their ability to perform and undertake the role. School Captain Roles will also be discussed for those interested students looking at this type of leadership.

**Inquiry:**

This term, our topic is Bizarre, Bazaar. The students will learn about the ways products are designed, produced and advertised and they will apply their creative thinking skills to design and produce their own product to be sold to the school community at our Bizarre, Bazaar market at the end of term.

**4Rs:**

We will continue to work through our 4R's program this term with the focus being on Positive Coping.

## ***P.E update from Mrs Cornish***

Hello Families,  
Welcome to Term 4! A term that is turning out to be a tricky start with hopefully a fun filled ending.

I wanted to inform families of all middle and senior year students, that with the current COVID19 restrictions and staggered school attendances, we won't be able to go ahead with the rescheduled Grade 3-6 Athletics Day. This is really disappointing for the students and teachers as we did a lot of preparation in our P.E lessons and were ready and raring to go!

In light of this, School Sports Victoria have offered students the option to compete virtually from home, using the below link to record results. Some of the tasks requiring specific equipment will be covered at school during PE sessions (high jump, long jump, shot put, etc) Children do not have to complete all activities, just the ones they are interested in most. The running events for example, would be great ones to achieve during remote learning.

# Current COVID Restrictions for Schools

Just a reminder to parents that you can only come onto the school site for essential reasons. If you are dropping your child off it is preferable that you do this at one of the school gates - Ovens St and Ryley St. If you do need to come into any of the school buildings, **you must enter through the front office and check in - regardless of the time spent in the building.**

## **YOU MUST WEAR A MASK AT ALL TIMES**

**PLEASE do not enter any of the classrooms through the school grounds**

## **School Operations Guide**

The latest school Operations guidelines require that:

- Hand hygiene and cleaning regimes are in place
- Visitors are restricted to staff and health and wellbeing support with record keeping
- No assemblies or liturgies
- Libraries can be open
- Shared drink taps open
- Sports programs are permitted with conditions

## **COVID ACTIONS UNWELL STUDENTS**

Families are asked to keep students exhibiting symptoms similar to cold and flu at home until the symptoms go or they have been cleared by a doctor. It is important that we are all vigilant when it comes to spotting potential problems with COVID 19.

The settings above are indicative only and are subject to change. They are indications based on the presently available public health evidence (including epidemiological evidence). All future directions will be made on the basis of public health evidence (including epidemiological evidence) as it exists at the time the directions are made. Based on the evidence at that point in time, the Chief Health Officer (or other authorised officer) must consider the directions to be reasonably necessary to protect public health, give proper consideration to human rights under the Charter of Human Rights and Responsibilities 2006 (Vic), and make decisions that are compatible with human rights under the Charter.
