ST. PATRICK'S SCHOOL NEWSLETTER

2nd March 2022

Jesus said to his disciples:

"When you do good deeds, don't try to show off. If you do, you won't get a reward from your Father in heaven.

When you go without eating, don't try to look gloomy as those showoffs do when they go without eating. I promise you that they already have their reward.

Instead, comb your hair and wash your face. Then others won't know that you are going without eating. But your Father sees what is done in private, and he will reward you."

Matthew 6:1-6

Today we begin the season of **LENT**, the forty days of prayer, fasting and almsgiving. This is a time of personal self-reflection.

PRAYER offers us all a very special opportunity to grow in our relationship with God.

FASTING is an opportunity to remove some things from our life. This includes removing behaviours and attitudes that block healthy relationships.

ALMSGIVING is the practice of giving, whether it be time and service, products or financial contributions.

Today's Gospel asks us to truly reflect on why and how we do what we do. Do our thoughts and actions reflect a desire for recognition or are they humbly for the service of others?

Shrove Tuesday (Pancake Tuesday)

Yesterday during recess our classes were able to enjoy the festivities of Shrove Tuesday, known to us more commonly as Pancake Tuesday. Thank you to our staff for their preparation in the event.

COVID

Thank you for your continued support in testing students regularly. We will continue to send Rapid Antigen Tests (RAT) out fortnightly until the end of the term. If your child tests positive, I ask that you please inform the school as soon as possible.

Immunisation Status

Could all Foundations parents/carers, who have yet to do so, please provide your child's Immunisation status certificate to the school office as soon as possible?

Caritas

Again students will be able to purchase Zooper Doopers at recess each Thursday and Friday for 50 cents. All funds raised will go to Caritas. Thank you Annette for organising this.

Direct Debit for School Fees

Direct Debit is a great way to manage payments of school fees. Forms were sent home last week with the school fees. Written confirmation is required each year to process any direct debit. For those who have filled out forms in previous years, an email to Annette will suffice to continue payments.

Payments are processed on the first Friday of each month with the first one being this Friday, 4th March 2022.

Second Hand Uniforms

Attached to the newsletter is the new Second Hand Uniform Order Form. All second hand uniforms are sold for a gold coin donation or a uniform swap. If you would like to purchase any items, please complete the form and return it to the school office.

Camps, Sports and Excursions Fund - CSEF

If you have a Health Care Card, please remember to complete the CSEF forms, that was sent home last week, and return to school. (Copy attached at the end of this newsletter)

Newsletter

Our newsletter can be accessed on our website. Annette (in the Office) also has a mailing list that she is happy to include you on.

Simply email Annette on: abeitzel@spwangeratta.catholic.edu.au or phone the office (0357215795) and Annette will put you on the list. If all else fails, you can request a hard copy from the office.

Children's Chatter Matters!

Language Learning activities to try at home.

Focus: Developing phonological and phonemic awareness skills, ie; the ability to recognise sounds and sound patterns as they occur in words.

Syllable Counting

Syllable awareness is an early phonological awareness skill which forms the foundation for emergent literacy skills. Syllable awareness is the skill of hearing the sounds within words and recognising that words can be broken into syllables or word parts. Listening to compound words (e.g. classroom) and breaking them up into their word parts is a great way to start. The skill requires counting, tapping, blending (e.g. kan-ga-roo = kangaroo) or segmenting words into their word parts.

wordwall.net/resource/28385711

Rhyme Awareness

Rhyme awareness is another early phonological awareness skill which builds emergent literacy skills. Rhyming requires children to listen closely for sounds within words. Children who recognise rhyme realise that words are made up of separate parts. Rhyming words are words which have the same ending sound, regardless of spelling.

wordwall.net/resource/28387934

Sound Identification

Identifying the individual sounds within words is an important phonological awareness skill for literacy development. Being able to identify the sounds which make up words is critical for being able to blend sounds together when reading and also segment the sounds when spelling.

wordwall.net/resource/28388318

Onset & Rime

Onset and Rime is an early phonological awareness skill which helps children recognise common 'chunks' within words and patterns between words and word families. Onset and rime knowledge helps children decode new words when reading and form spelling strategies.

wordwall.net/resource/28389049

Sound Deletion

Sound deletion is a later phonological awareness skill typically acquired between grade 1 and grade 2 which is the ability to identify how a word would sound if one sound was omitted (e.g. from either the beginning or ending of a word). This is a crucial skill in decoding new words and understanding word families.

RUN

PRESENTED BY

GARRY NASH
& CO. REAL ESTATE
EST. 1981

RJ Sanderson 2km Primary School Challenge
& ASSOCIATES PTY LTD
PUBLIC ACCOUNTANTS

Participation and fun is the key ingredient for the 2022 Wangaratta Chronicle Marathon and Fun Run presented by Garry Nash & Co Real Estate and we especially encourage students to enter the RJ Sanderson & Associates 2km Primary School Challenge and earn points for their school.

We would love to see our primary school students and/or families compete in costume – as their favourite super hero or character perhaps, although this is not a requirement.

Why should kids from your school enter?

The school with the most number of finishers will win a cash prize of \$1,000 from the event partner R J Sanderson as well as a perpetual trophy to display for the next 12 months. Every student finisher is awarded a 'finisher' point as long as they have chosen their school as their team when entering.

Smaller schools will not be disadvantaged as there is a factoring system based on the number of students in total at the school and how many students participate, so any school has the chance to win the major prize.

There will be two groups for the 2km Primary School Challenge – Racers and Chasers.

The Racers will set off at 9.45am and is for children of all ages who want to race hard and challenge themselves to achieve their best. No parents/carers are allowed to start in this wave.

The Chasers will begin at 10am and is for children of all ages. We encourage parent/carer participation and social completion of the event as a family in this wave – walking or running is permitted by all participants.

All children in both waves will receive a medal at the finish and their official time will be published on the website, however there will be no official placings or prizes for the fastest finishers in this event. Times on the website will not be separated by wave, but by age.

Primary School children do not have to be vaccinated (at this stage) to enter this event, but accompanying adults must be fully vaccinated and enter via QR code on the day.

Event date **Sunday, March 20 2022**, from 9:45am~, Showgrounds Wangaratta.

~ Event start time may be delayed due to COVID restrictions on the day. If any significant delay is anticipated, the consenting parent/carer will be notified via email, or via the nominated school.

Please see overleaf for registration form and terms and conditions

Children can also be registered via the wangerattamarathon.com.au website.

This form does not need to be completed if registering via the website.

Child 2 (\$10) Name: _____ DOB: __ / __ / ____ BOY GIRL
